

TENNIS CLINIC HELD LOCALLY IS SUCCESSFUL

A very successful Tennis Clinic was held in Terrace Bay under the direction of Ed Brandreth, club professional with the Hamilton Thistle Club, who is touring throughout Northern Ontario. Students of St. Martin's Separate School and the Public School took part in the afternoon sessions, and adults attended in the evening.

The clinic is sponsored by the Community Programs Division of the Ontario Dept. of Education, and the Ontario Lawn Tennis Association, in co-operation with the Terrace Bay Recreation Association.

NOTICE - Schreiber Barber Shop will be open each and every working day, starting immediately.

C. of C. WANTS POLICE REPORT PUBLISHED

At the May meeting of Terrace Bay Chamber of Commerce held on May 16th in the Curling Lounge, a report was given on the film presented by the Voyageurs. At the afternoon presentation, elementary school children attended and found it an engrossing show. Those who attended in the evening also enjoyed the film and narrative but, unfortunately not too many turned out.

A committee was formed to make the annual Town Tour in company with township representative and suggestion will be made regarding property clean-up and improvements.

Committees were also arranged to check the fencing at the Aquasabon Gorge and to work with the Historic Site Board on site and ceremonies when dedicating a plaque to the glacial terraces. It is hoped that a rest area may be established at the site. President, D. Rafalant reported sending approximately 2,000 brochures and his plans to distribute others.

Members felt there is urgent need for some specific action in dealing with law-breakers in the community. The local press were urged to again print police reports of their activities so that townspeople are made aware of what laws are broken and what steps are taken by the police in dealing with infractions.

AQUASABON GOLF CLUB COMING EVENTS
