Our Guiders, together with others from throughout the Area enjoyed an interesting and informative weekend, bringing abck with them many new ideas, games hobbies, etc. Mrs. Cynthia Briggs A.C.A. of Atikokan was in charge of the Blu training while Mrs. May O'Brien A.T.C. of Fort William assisted by Mrs. Gail Hall of Port Arthur, organized the Brown training program.

While there, the Guiders had the privilege of observing a group of Guides from Geraldton under the leadership of a Ranger who was earning her Camper's Badge. It is the hope of the Guiders to arrange better opportunities for Guides and Brownies of our own area to attend summer camps.

All Guiders, Guides and Brownies wish to express appreciation to all those who worked so hard to make the Guide and Brownie Banquet such a big success.
