Art Club Meeting - There will be a business meeting of the Art Club this coming Thursday at 8 p.m. in the Arts and Crafts room.

Adult Swimming - Last call for ladies and gentlemen who wish to have a special period of time for swimming during the summer months. If you have preference for a certain day or time, please phone the Recreation Office (3542) and we will endeavour to establish this time for free swimming, or, if you wish swim instruction.

Swimming Lessons - Registrations for swimming lessons will be distributed to both the elementary and separate schools this week. This year, non-swimmers who are taking lessons for the first time will need to be a minimum of 45" in height. The reason for this is that the water in our pool is 39"

deep at the shallowest end, and the minimum height of 45" for each child will allow him or her to stand on the bottom of the pool and still have their heads above the water. The minimum age will still be 5 years old as of July 1st, 1968.

The registration forms for swimming lessons must be returned to the Recreation Office not later than Wednesday, June 12th. Weather permitting, the pool will be opening on approximately June 20th providing repairs and maintenance are completed by that time.

Minor Hockey Photos - Any persons wishing to acquire photographs taken at the Minor Hockey banquet or of Ron Shock's visit, may do so by contacting the Recreation Office. The photographs are on display on the Recreation Centre bulletin board and may be purchased for .50¢ per photo, through the Recreation Office. Payment is required in advance.

Roller Skating - Plans are still being finalized for the Roller Skating program. It is our intention to present a more colourful program in this activity this summer for your enjoyment. Keep watching the NEWS.

Minor Softball - The Minor Softball programme is working out very well and all the parents who are
