PRINCESS ALICE BEST CORPS IN ONTARIO

One of the district's most thrilling annual presentations took place this year in Terrace Bay Arena last Saturday night, when naval cadets of R.C.S. C.C. Superior and the Wrenettes of N.L.W.C. Princess Alice were inspected, the former by Commander T. Fallon of H.M.C.S. Griffin, Port Arthur and the latter by R. Koyl, president of the Ontario Navy League, Toronto.

Particularly smart in their appearance and movements, these future citizens of ours are an inspiring sight. We'd like to see them swinging through Yorkville some evening or appearing at some "flower power" demonstration with their drums rolling and their bugles pealing!?!

The inspection was followed by a ship's Company March Past with Guard and Band followed in quick succession by a Guard March display and Band
