CANCER SOCIETY PRESENTS NEW OFFICERS

The Cancer Society of Terrace Bay held their regular meeting in the basement of the Community Church. The main purpose of the meeting was to present the new slate of officers to take office in September. Mrs. Lil Harris presented the new slate as follows: President - Mrs. Vivian Rapke; Vice-president - Mrs. Dorothy Rafalant; Secretary - Mrs. Mae Dorland; Treasurer - Mrs. Mary Hale; Campaign Chairman - Mrs. Lil Harris; Maintenance - Mrs. Ursula Wills; Nominating Chairman - Mrs. Lil Harris; Medical Advisory Chairman - Dr. M. McCausland; Publicity Chairman - Mrs. Ursula Wills; Service to Patients Chairman and Co-chairman - Mrs. Helen Brooks and Mrs. Georgina Heenan; Mrs. Rapke thanked the retiring officers for their time given in the past year.

The In Memoriam Cards hadn't been used as much this year as in past years. Perhaps some people don't know how these are used. A donation of your choice, in memory of the Deceased, is given to the Cancer Society, and a card is sent to the bereaved family. If it is not convenient to pick up your card, all that is required is a phone call, giving the information, and a card will be mailed out that day. At your convenience, a donation may be made to the Cancer Society, when you will receive an official receipt. Please contact Mrs. Vivian Rapke for further information.

Mrs. Wills has received word that any students wishing information for essays, should contact her, rather than sending to Toronto. A new catalogue of available material has been received.

Lunch was served at the close of the meeting.

SEPARATE SCHOOL STUDENTS TOUR LAKEHEAD

Grade 8 pupils of St. Martin's Separate School in Terrace Bay had a most interesting three day tour around the Lakehead cities. Leaving here on a chartered Greyhound bus early Wednesday morning, in charge of Ray Kenney, Principal, they arrived in Port Arthur and stayed at the Prince Arthur Motor Hotel.

They were taken on a guided bus tour of Port Arthur. They first visited the Public Utilities Building, where they were shown how the billing was done for the various utilities. Then they moved to the Council Chambers, where they met Mayor Laskin, who proved to be a delightful host. Mr. Laskin explained to an interested group, how a City Council managed the city's business.

The telephone exchange proved another great source of interest to the pupils. They also visited the Transit depot.

Thursday morning, the pupils took a bus out to Lakehead Airport and were eye-witnesses to an explosion and crash of a plane. They toured an Air Canada plane before it's take-off and were shown through the Air Terminal building.

The Court House was the next stop, (Cont'd pg 7)
