WHO GETS A KICK OUT OF LIFE

He may not shoot in the seventies any more, but he can still teach his son a thing or two about golf—a lesson in sportsmanship and a lesson in just plain fun.

He wants the boy to have all the good things in life. He is able to provide these now, but he knows that sometime in the future they may have to be provided by life insurance.

This father is a Sun Life policyholder.

He knows that Sun Life is the company with the *right* policy for every life insurance need.
