

ATTENTION ORGANIZATIONS!

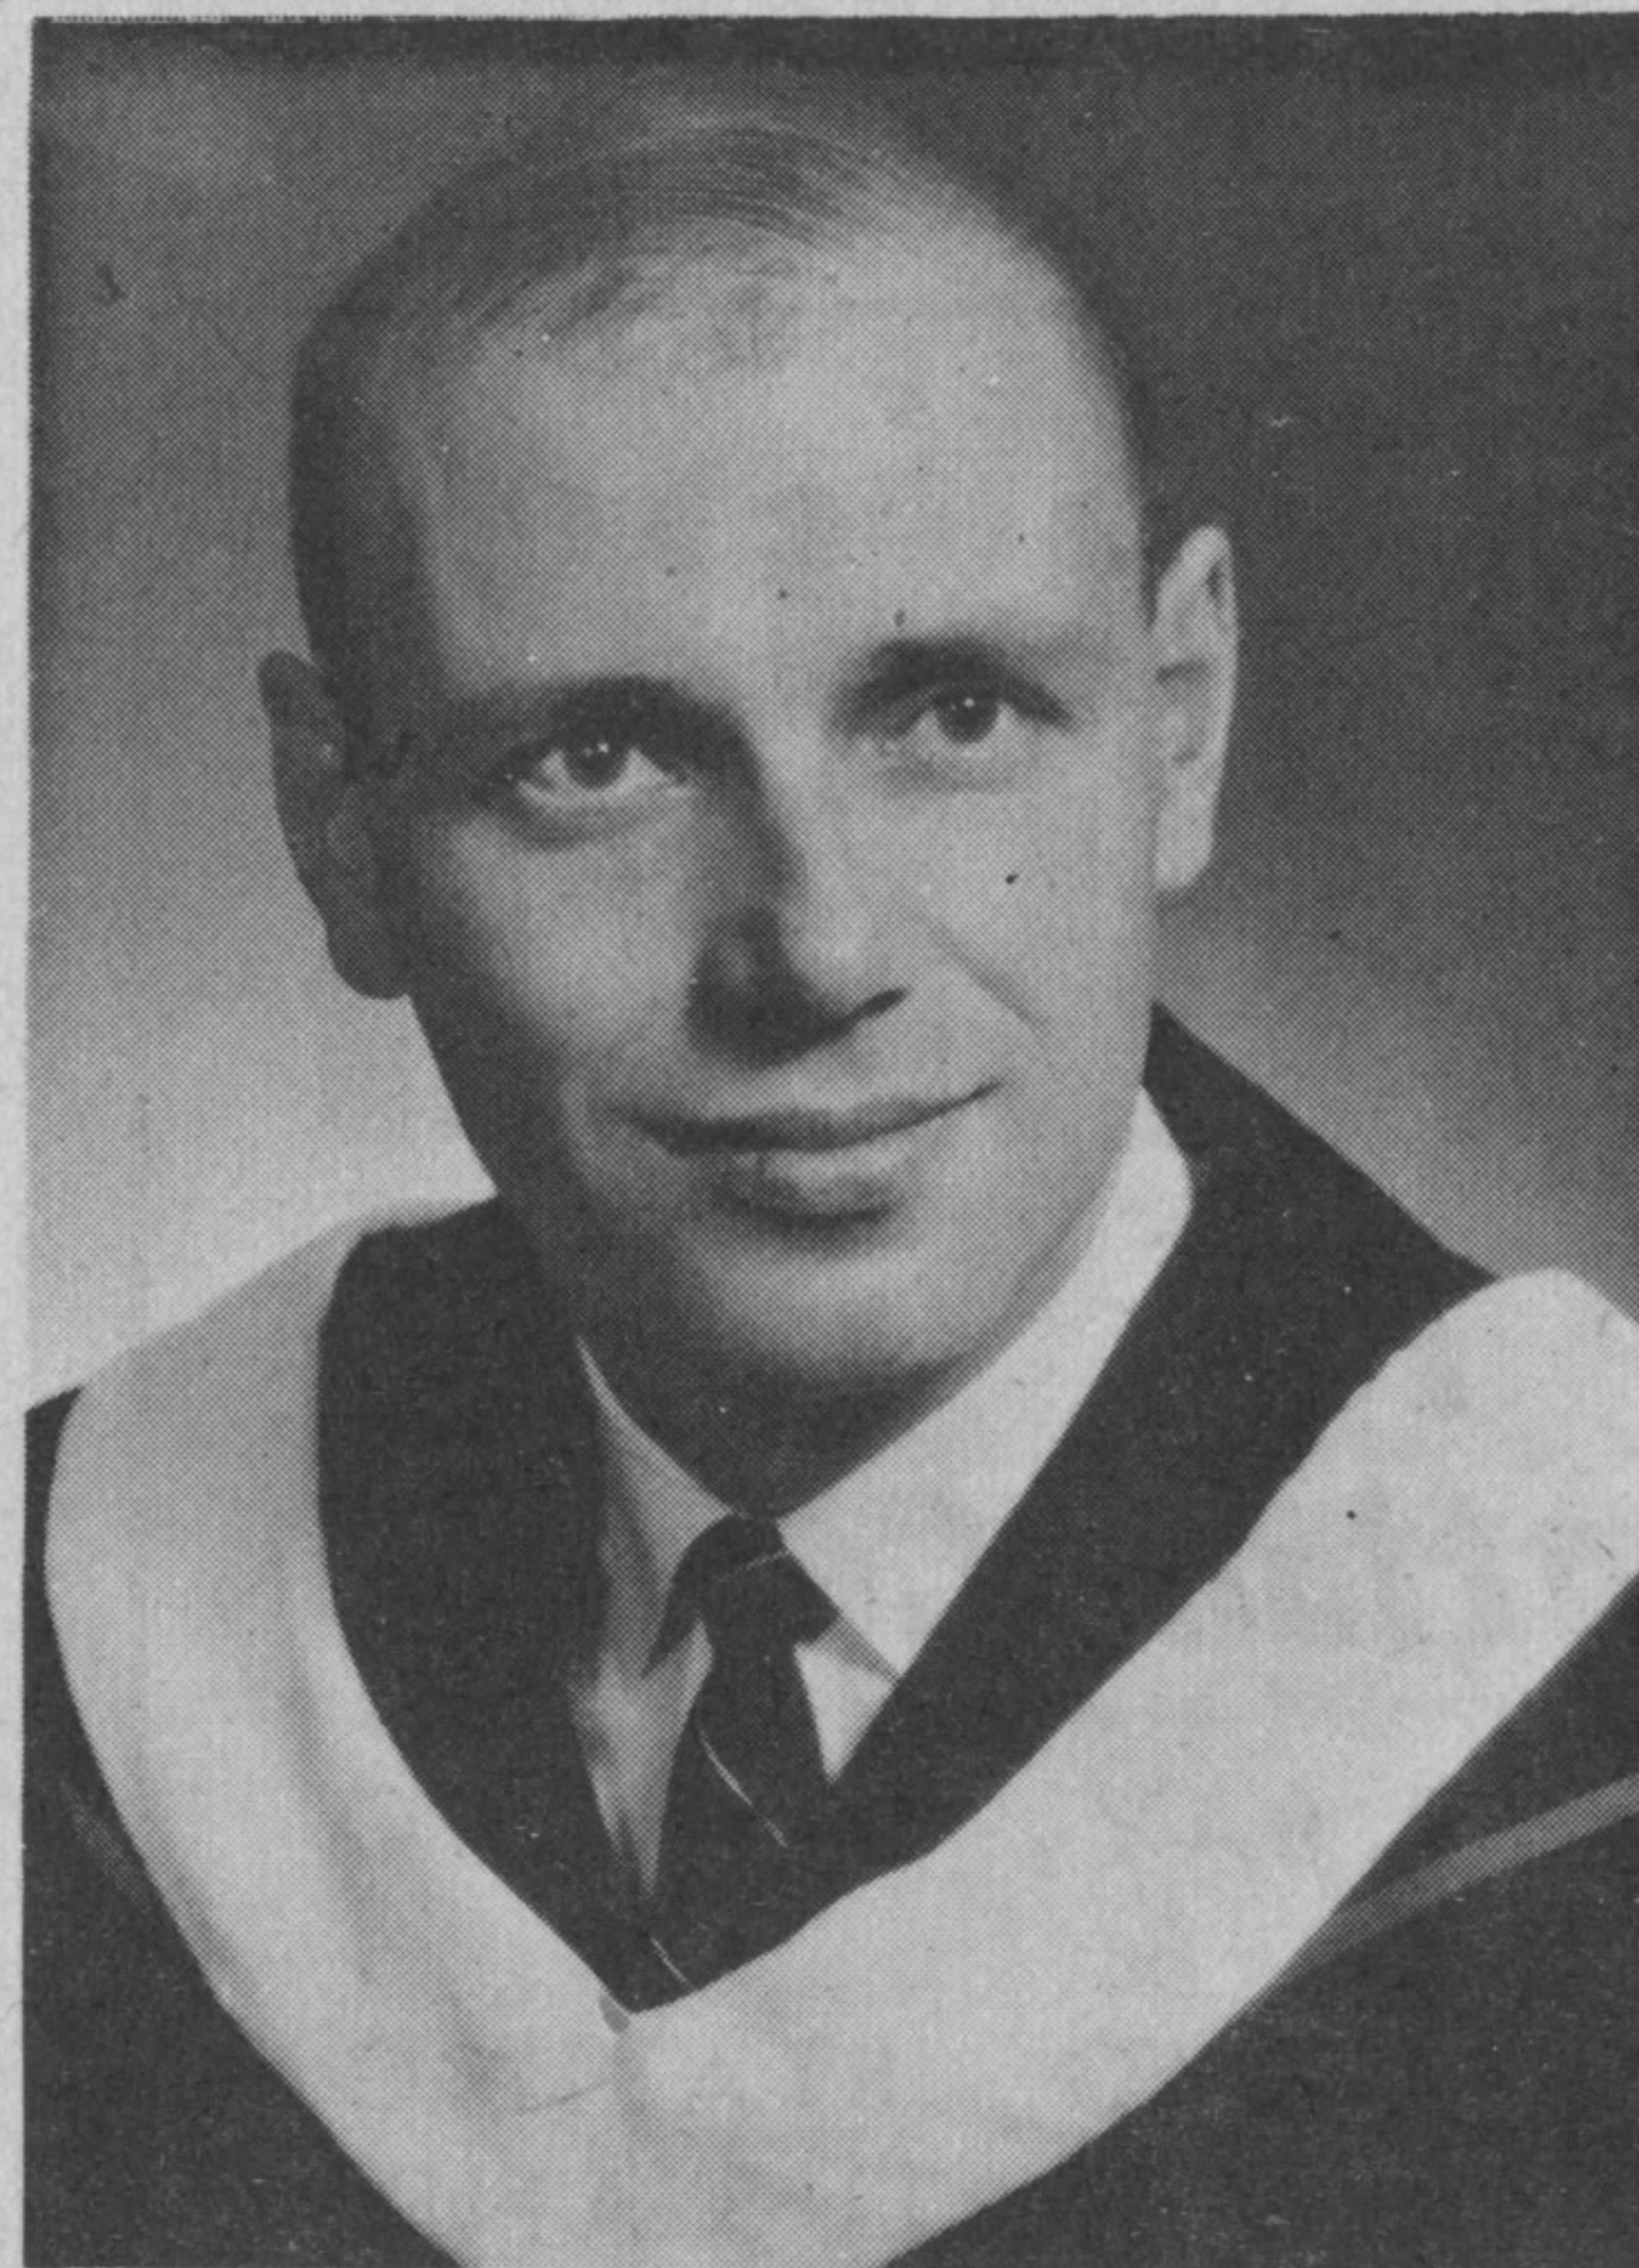

As News Correspondent for the Lakehead papers, I would like to clarify my position. I am happy to take pictures of any organization or group at any time, but I would appreciate 24 hours notice. Some organizations have been very considerate and I thank them for both giving ample notice and providing the film. I do not attend functions uninvited. Also, I do send pictures to both Lakehead papers, but they apparently do not always have room on the district page for these photos.

Regarding weddings, the bride must contact me and sign a release, since I am not allowed to send wedding reports to the Lakehead papers without the signature of the Bride. There is a \$6.00 charge to have Bridal photos printed in either the Times Journal or the News Chronicle.
