

LORRAINE BELLIVEAU RECEIVES GOLD CORD

The Terrace Bay Motor Hotel Lobby formed an impressive background, when the Girl Guides gathered to see one of their members, Lorraine Belliveau, receive her Gold Cord, the highest award given in Guiding. Guests were welcomed by District Commissioner Mrs. G. Caron and Area Commissioner Mrs. D. Carroll.

In charge of the ceremony was Captain Connie Cvitkovich, who read the Candle light ceremony. The candles were held by Marilyn Kujbida, Georgina Caron, Mona Caron and Leslie Thompson. Cathy Belliveau carried the Gold Cord, and presented it to Mrs. Carroll, who in turn, removed Lorraine's All Round Cord, and gave the Gold Cord to Mrs. Belliveau, Lorraine's mother, to put on her daughter. Lorraine presented her mother with a corsage of red roses. Lorraine was then presented with numerous gifts from the two Guide companies, the Local Association to Guides and Brownies and friends.

Lorraine spoke a few words of thanks to all those who had made this moment possible. Reeve Cavanagh congratulated her on her achievement, on behalf of the Council and the people of Terrace Bay.

The ceremony ended with the singing of the Guide taps.

Following the ceremony, a cold plate was served to the guests, in the dining room. Honored guests included Area Commissioner Mrs. Carroll, District Commissioner Mrs. Caron, Lorraine's mother and two sisters, Cathy and Claire, Mrs. Mikus and Mrs. Shack, District Commissioner of White Sand. Mrs. Carroll spoke of Guiding, and presented Captain Cvitkovich with her Captains pin, and Mrs. Mary Vanderkam with her Lieutenant's Pin. Elaine Long was given a cup and saucer in appreciation of her five years service. Later, Mrs. Sylvia Duquette invited the Guiders to her home to visit with the Area Commissioner, Mrs. Carroll.
