

Police Report - cont'd from page 14

7 - accidents investigated, the most serious resulted in death to Mrs. Agnes Herlihy, age 46 of Schreiber. The tragedy occurred approximately 30 miles west of Schreiber, on June 27th. Death occurred when the vehicle driven by the victim went out of control and flipped over.

In addition to the Fatality, 3 persons were injured as the result of other accidents. Property damage in all accidents was approximately \$6050. Officers of the Schreiber Detachment laid a total of 16 charges under the Highway Traffic Act.

27 motorists issued warnings for Vehicle defects and other infractions of the Highway Traffic Act.

65 vehicles given safety checks.

An interesting fact to the motoring public is that three of the accidents investigated in this area involved vehicles and Moose. Motorists are urged to exercise all possible caution as these animals may be encountered at any time on the Highway. This is particularly true during Hours of Darkness.
