NOTE TO ALL MEMBERS: MEN, LADIES, INTERMEDIATES AND JUNIORS

Golf Balls are reported being pilfered from members golfbags in the Storage Shack. Members are urgently requested not to purchase golf balls from any other source than the club house. If attempts are made to sell your balls it would be appreciated if you would report the instance to the club house. Pilferers, if caught in the act, will be prosecuted to the full extent of the law.

NOTE TO JUNIORS: - Father Harris has started his free instructional group lessons and there are a few disappointingly few number of Juniors taking advantage of them. It is a shame that this wonderful opportunity is not being utilized. Don't let a little poor weather keep you away, this is an opportunity afforded to few Junior golfers in Canada. So show a little life, boys and girls. (Intermediates too!) Dates and times of these lessons are posted on the Junior's Bulletin Board in the Club House.
