NEW HIGH SCHOOL COURSES START IN SEPTEMBER

The Terrace Bay High School Board has signed a contract with Gateway Development Co. Ltd, and construction is now underway for the addition to the High School.

Various facilities will be phased into operation over September, October and November, as construction proceeds to completion. Although some special arrangements in School operation will be required during this period, the Board is confident that regular education standards will be maintained.

MANY FEATURES AT LAKEHEAD EXHIBITION

News releases from Bob Brown, public relations officer of the Canadian Lakehead Exhibition (C.L.E.) which opens July 19th and runs through to July 27th, indicate that many new attractions are being presented this year: a fashion show will be presented (free) in the Home Arts Building 3 times daily, at 3, 8.15 and 9 p.m.; the "Esso" Hockey Caravan offers fans a chance to test their shots from 3 to 10 p.m. daily in the Exhibition Auditorium; among the 7,000 animal exhibits will be Arabian Stallions and a three day horse show starts this Saturday, with 250 horses competing for 115 trophies. Depending on ground conditions, these events will be held either in the main show ring near the Ontario building, or in the field show ring in the Grand stand area. And speaking of the Ontario building, don't miss a visit here, where you'll find much to interest all ages.
