

Police Report - cont'd from page 12

Investigations - A sports shop and a private dwelling were broken into . Two adults and three Juveniles were charged in this connection. Eight other miscellaneous investigations were carried out & completed.

Traffic - A total of four accidents were investigated. No injuries were reported. Property damage in all of them was approximately \$990. A hit and run accident occurred near Steel River Hill on Saturday July 13, 1968 at 9.50 a.m. The offending vehicle which is a white station wagon, was east bound at the time. Anyone having any further information regarding the offending vehicle, is requested to contact the nearest Police Dept. or Ontario Provincial Police. A total of 46 vehicles were given safety checks; 9 motorists were warned regarding motor vehicle defects and 7 were charged for various infractions of the Highway Traffic Act.

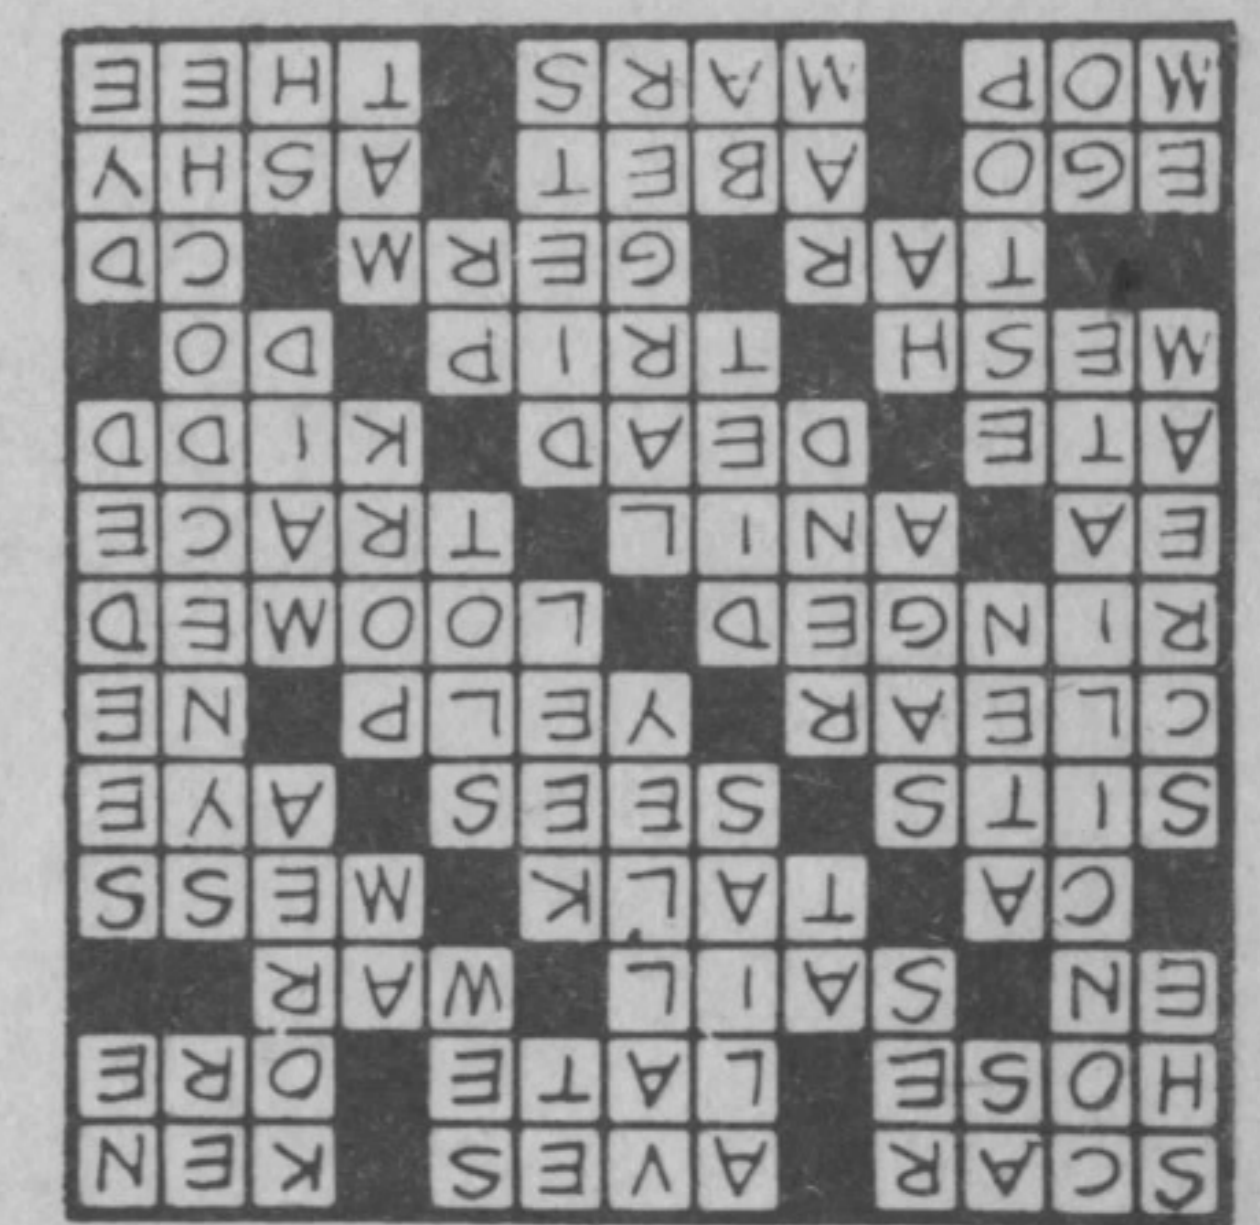

M. Kulmatycki.

ANTI-LITTER CAMPAIGN NEEDS MORE AID

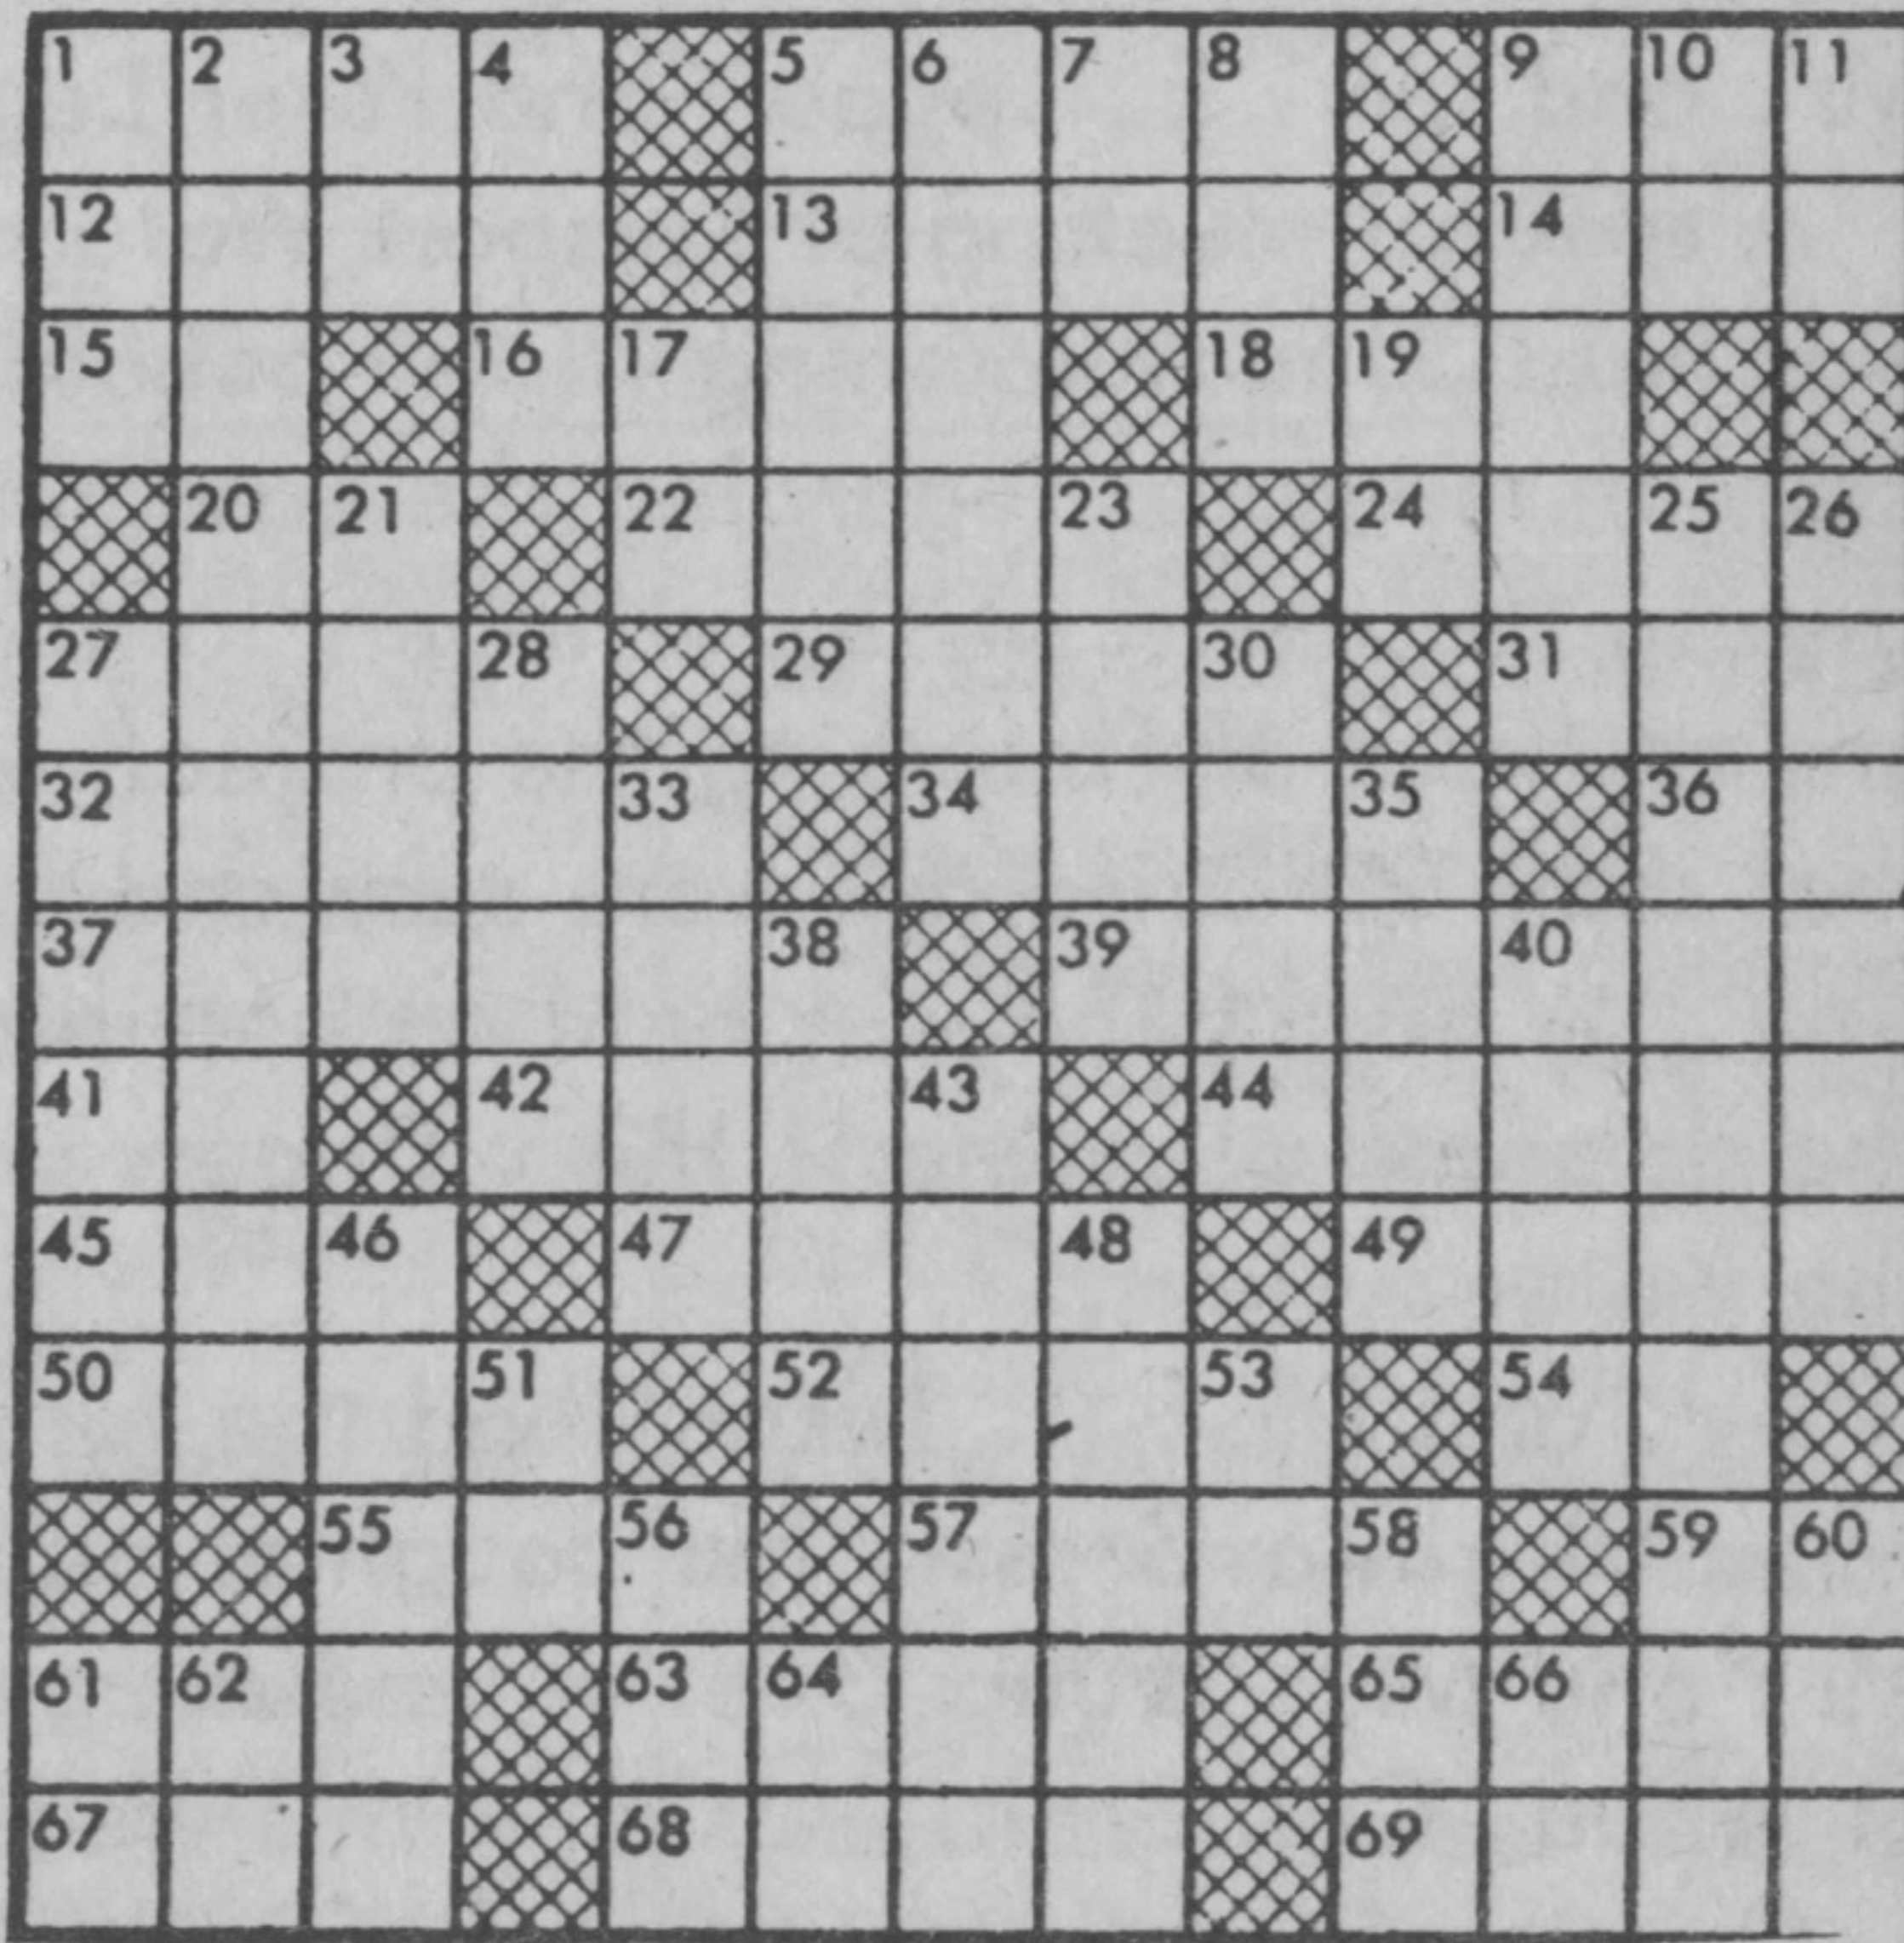

The Keep Canada Beautiful campaign isn't getting anything like the support it should from the packaging people, says David Judge, editor of Canadian Packaging. "Everyone who is involved in the packaging business, whether they put products into packages, make the packages, or supply the material, contributes the largest chunk to the litter pile.
