

GOLF CLUB TOURNAMENTS

Shown in the photos below is Al Pattison presenting the Trophies to the winners in the two divisions in the Junior Competition. Top photo - Trent Desaulnier; bottom photo - Kenney Hanley.

The following is a letter received by Mr. and Mrs. Ed. Cavanaugh on August 14th, 1968, from Mr. Keith Penner, M.P. for Thunder Bay:

Election 1968 was one of the most exciting in Canadian History. The electorate returned a majority government which is strong in leadership, rich in talent, and vigorous in the pursuit of such ideals as a united, prosperous Canada.

You, as citizens of this great nation, and as residents of the Thunder Bay Constituency, played a vital part in the recent election. You helped to make certain that our Country, as it launches out into its second Century of growth and development, has good government. Your efforts were very much appreciated and Prime Minister Trudeau joins me in saying thank you for a job well done.

As your federal representative, my first aim and ambition is to serve the people of Thunder Bay to the best of my ability. I know that you will continue to do all that you can to keep the Liberal Association alive and active throughout the riding. In particular, it would be of great help if you would keep me informed of all such matters as effect the life of our Constituency and are in some way related to the Federal Jurisdiction.

Best wishes and kindest personal regards,

Very Sincerely Yours,
B. Keith Penner, M.P.,
Thunder Bay

It must be discouraging to a sensible girl when she observes the way sensible men smile at silly girls.

Our first-grader just had school dental inspection His group had 20 per cent fewer teeth.
