

SENIOR-JUNIOR GOLF TOURNAMENT

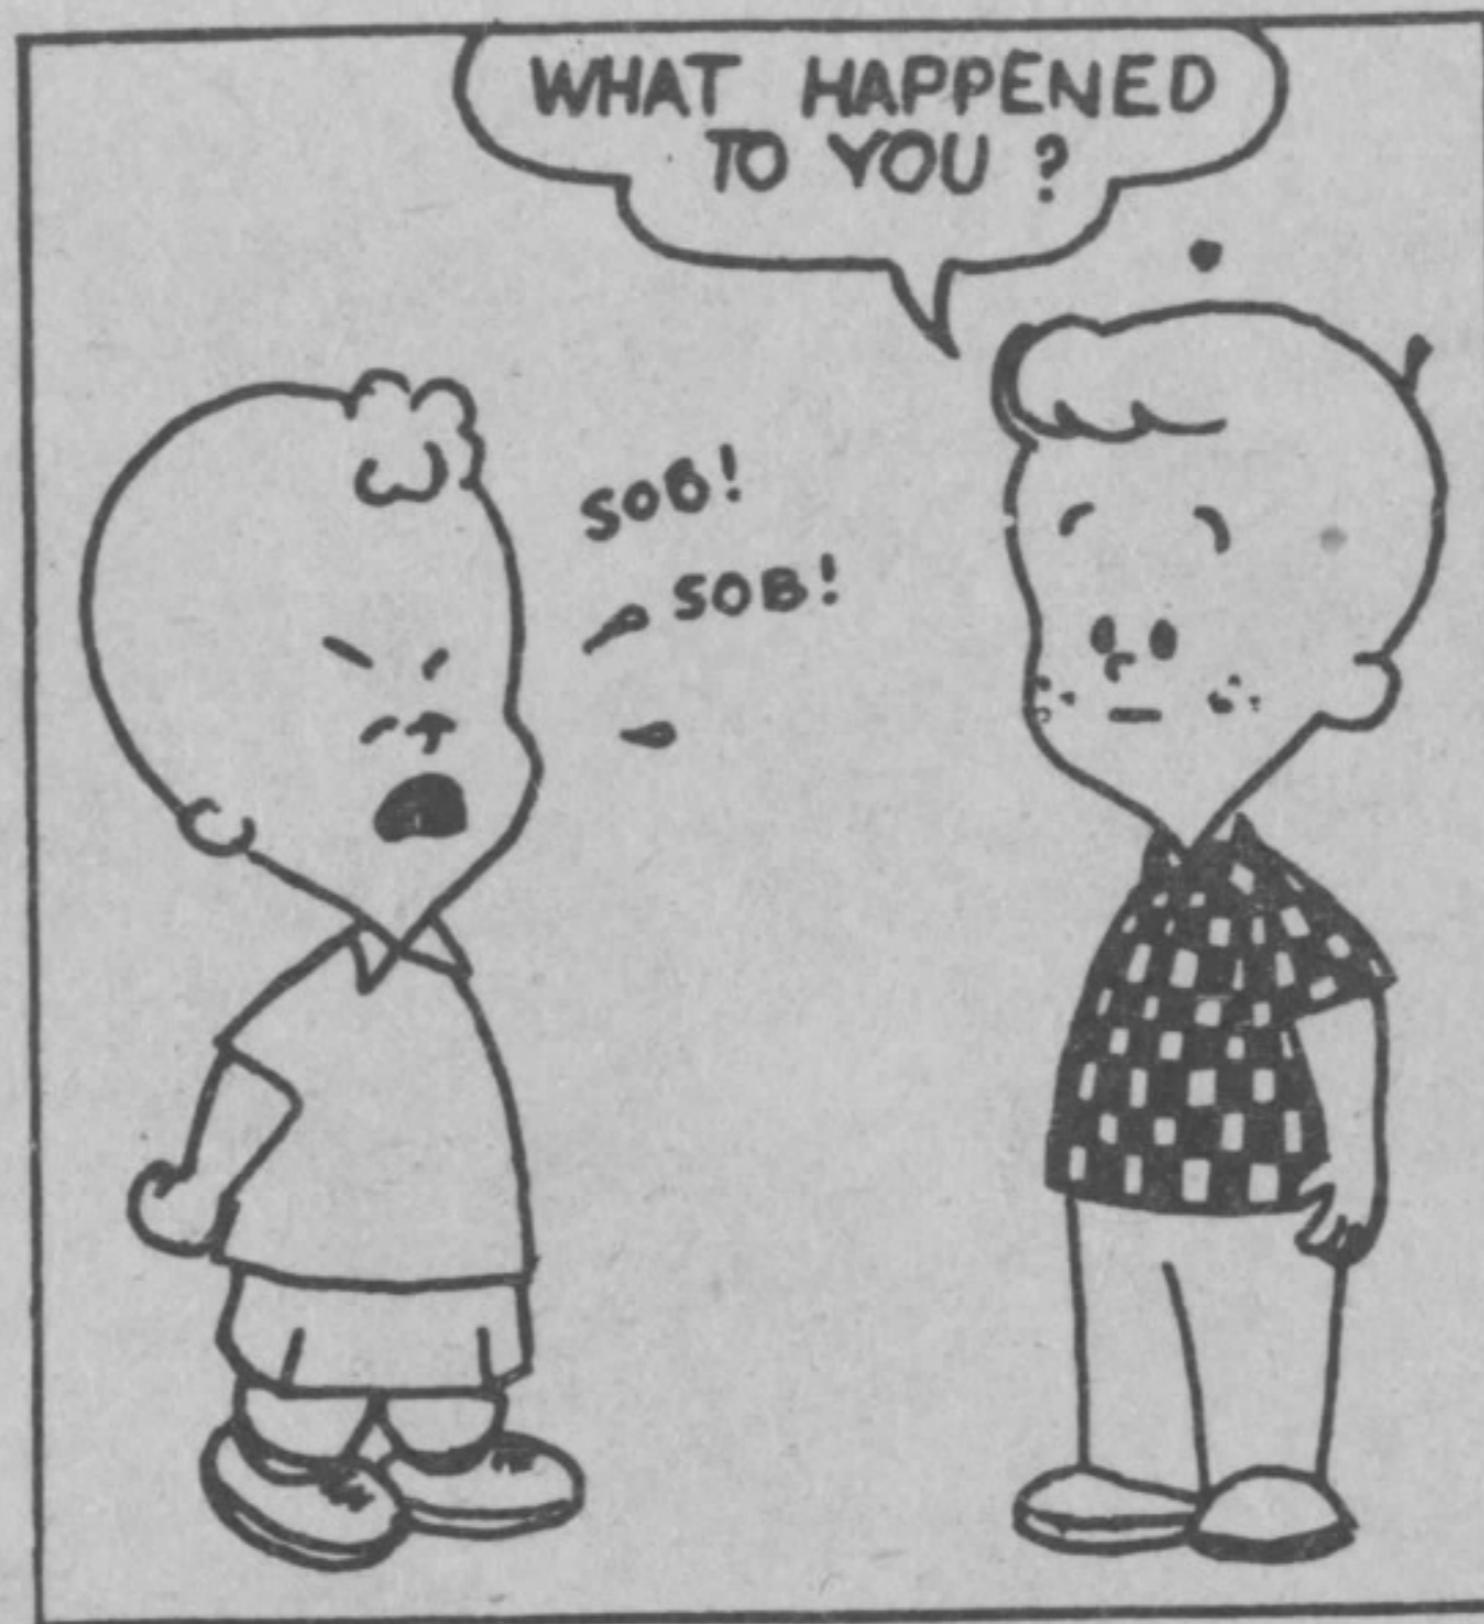

- photo by R. Cornfield

Winners of the Dave Desrosiers Trophy this year were Hector McLeod and Trent Desaulniers with a net 77 1/2. A Junior-Senior annual tournament in which participants alternately play the balls has proved to be a popular event with both age groups.

Participating Junior showed considerable promise. The Club Executive hope that more tournaments of this nature will be planned in the future.

Northwestern Ontario Conservation Federation announces that the 1968 "Robert Shultz Memorial Scholarship" has been awarded to Miss Christine Turner of Port Arthur. Miss Turner has graduated from Hillcrest High School and plans to continue her studies at Lakehead University.

The award will be presented to Miss Turner by Charles Paroal, President of the Northwestern Ontario Conservation Federation on September 6th., at Hillcrest High School Commencement Exercises.

Teh Scholarship, in the amount of \$600, is awarded to a student in Northwestern Ontario completing Grade 13 and who is entering a Biology of Forestry course in a Canadian University.

THE HOME TEAM

"I have a bit of constructive criticism for you . . . give up!"

After a woman has parked her car, her big problem is to decide in which of the two parking meters to deposit her nickel.
