

### SCHREIBER HIGH SCHOOL BOARD MEETINGS

The Schreiber High School Board comprised of Mr. L.R. McCuaig (Chairman), Mrs. L. Godin (Vice-Chairman), Mr. J.M. McGrath, Mr. N. Ross and Mr. C. Sparkes, has had many meetings during the past few months. The results of these are seen throughout the school: A green "dado" was painted in the halls and the gymnasium of the school. Alternations have been made in the office. A temporary guidance service centre has been constructed from a former store room. The telephone system in the school has been modernized.

At present, the former cadet room is being altered to accommodate book storage and a teacher working area.

In order to lessen the congestion that presently exists in some areas of the school, the Board will be renting a portable classroom from the Town Council. Construction of this room is scheduled to commence next week and it should be ready for classes by October 15, 1968.

He had received his 55-year membership from the Brotherhood of Railway Trainmen and when he first came to Schreiber played with town's professional hockey team.
