Lacrosse - The Lacrosse game between Terrace Bay and Manitouwadge, which was scheduled for last Friday, has been re-scheduled for this Sunday, starting at 1 p.m. in the Arena. Spectators are welcome to come out to see this return match between the two teams. Our boys have been practising hard, so let's give them some support. Last year they lost 10-0 and 13-0 and this year so far they have only lost by 5-3 and 7-3, which is an indication that they have improved.

Bridg Instruction - We are still taking names of all persons interested in taking bridge instruction at the beginner or intermediate levels. We are in the process of obtaining an instructor for this activity, but we do need more people before this instruction can get underway. Call the Recreation Office - 3542 - if you wish to register.

Ballet For Children - Last call for anyone interested in having their children take ballet lessons in Terrace Bay this year. If we do not receive any names this week, this class will be cancelled and all persons interested may make arrangements with Mrs. Diane Kirkup to take lessons in Schreiber.

Upholstery Course - We have received sufficient registration to hold an Upholstery course. As soon as we have acquired the services of an instructor, we will

Silk Screening Course - Mr. J. Cumming of Terrace Bay will be conducting a 6-week Silk Screening course at the Recreation Centre. The tentative date for this course is Thursday evenings; however, if this date is not suitable for the applicants, please notify the Recreation Office. This is your chance to learn how to make your own Christmas cards, posters, textile printing, etc. A minimum number of 10 persons will be required before we can start this course. The registration fee will be \$1 per session, with a minimum of \$3.00 for 3 lessons payable in advance. Please indicate your interest in this course by phoning the Recreation Office - 3542.

Roller Skating - Roller skating is held every Sunday evening from 7 to 10 p.m. in the arena. There are just 3 more Sundays of roller skating between now and when we start putting ice in the arena. Bring the family or your girl friend and enjoy Sunday evenings of skating fun.

University Extension Program - Starting this Friday at 7 p.m. in the High School, Dr. Asimi will be in Terrace Bay to conduct a credit course in Sociology. Classes will be held once every two weeks and are available to anyone wishing to acquire a university degree or anyone who is just interested in auditing the course.
