RECREATION BRIEFS - by David Courtemanche

Lacrosse - Terrace Bay finally won themselves a Lacrosse game! . . . on Sunday afternoon at the Terrace Bay arena. In the senior game, which started at 1 p.m., the score was 3-0 for Terrace Bay. Goals were scored by Albert Cadieux, George Dashkewytch and Fred Renette, with Michael Moore registering a shut-out. The score could have been much higher if it hadn't been for the erratic shooting of the Terrace Bay KLEENEX KINGS. Our players were older than most of the Manitouwadge team; however, the game certainly gave the fans an exposure to Lacrosse and something to yell and cheer about. It might be pointed out that the Terrace Bay players acted as their own coach and have come a long way since the beginning of the season.
