**LADIES' CURLING CLUB NEWS**

It's that time of year again ladies; the curling season is almost upon us! In future issues of the "News" we will be keeping you posted on plans and starting dates for the coming season. (We normally start curling early in November).

Naturally we hope to see all the regulars back with us again, but we are also interested in encouraging non curlers or new members to the community to come out and join the fun. For those of you who have often considered joining in the past, but have hesitated because you have never curled before -- **COME OUT THIS YEAR.** We can assure you that you won't be the only beginner. Each and every year we have at least 10 to 12 new members who have never played the game, but by the end of the year, they are as enthusiastic and knowledgeable about the game as the old timers. Usually the first two nights of the season are set aside for free instruction for beginners and a social gathering of all the members to get acquainted and play a few short games to limber up for the coming season.

To those of you who have just moved to Terrace

Bay, we welcome you to the Club. It matters not whether you have every curled before. If you would like to get out and meet pleasant people and participate in one of the most popular sports in Canada, join the Terrace Bay Ladies' Curling Club. We can assure you that you will enjoy our beautiful curling rink and club lounge, as well as the many social events which take place during the year.

Costs for curling in Terrace Bay are extremely reasonable. In fact, we doubt if they can be matched anywhere in Canada.

In the near future, membership forms will be available for all those wishing to join the club. This year, all teams will be drawn from the hat so you will have an excellent opportunity of meeting new people.

Ladies curling is on Tuesday and Thursday evenings. Afternoon curling is governed by the number of members interested.

So remember ladies, if you want to enjoy the winter season and participate in a healthy, invigorating sport, or just want a change, we of the Terrace Bay Ladies' Curling Club welcome you. The semi-annual meeting of the Ladies Curling Club will be held in the Club Lounge on Tuesday, (Cont'd on page 15)
