

## "THE OWL'S HOOT"

### Just Between Students

This week was the christening of our new school paper, "Just Between Students". It offers many things for the students to enjoy, including fashions, the top ten songs of the month, jokes, and an advice column, recipies, and test of brain over brawn.

So what, you say? But the unique attraction of this paper is that, besides being in longhand, it is also in shorthand. The paper itself is the protegé of the shorthand girls of S.H.S.

There are eighteen girls separated into three classes. The seniors are: Elizabeth Hayes, Sharon MacDonald, Shirley Phillips, Linda Pidluzny, Helen Williamson, Saara Pelto and Cathie Bolan. The second year students are: Verna Daley, Estelle Chicoine, Lori Nickoluk, Donna Hiebert, Edi Relph, Kris Chepelski, and the first year students are: Karen Hiebert, Valeri Boyd, Suzzanne Dzioba, Lynda Fontaine and Monica Frommann.

We hope to be able to publish one paper per month, each article written in both shorthand and longhand. They will be sold for the meagre sum of fifteen cents.

### Yearbook Deadline

Pictured above are Collen Maclsaac and Marylyn Cook; co-editors of the Yearbook Club.

A deadline of November 21 has been set for ordering a yearbook. The price of the book is reasonable and if the purchaser wishes to have his or her name put on the cover, it will cost a very little more. This year's book will have a hard cover in a new color with a very modern design. All lettering will be in gold. The lay out for the yearbook is to be sent away on March 10, the finished book available by May. Any non-students wishing to order may contact Brenda

Lalonde. Phone 421.

### Parent-Teacher Interview

The Parent-Teacher interviews held at S.H.S. on Wednesday, November 6th were a success. Over two hundred parents visited their students' teachers during the afternoon and evening.

Schreiber High School Home and School Association enhanced the event by serving coffee to parents as they finished their interviews. Memberships to this organization were on sale and are still available from Mrs. K. Stefurak.

Twenty S.H.S. students assisted in the operation of the interviews. They were: Lola Scott, Marilyn Hawke, Mary Speziale, Norma Walker, Aileen Ross, Marilyn Cook, Janice Cluett, Carolyn Glad, Doris Lehto, Karen Glad, Rosemary Speziale, Sharon Scott, Cora Spadoni, Lynda Fontaine, Marta Krystia, Beverly Goodmurphy, Dale Sisson, Teddy Ross, Michael Spadoni and Robert Ryan.
