

Hallowe'en Tea - cont'd from page 15

school gymnasium. The goodies were donated by mothers of the P.T.A. but the rest was completely the work of the students. Orange and black streamers were strung from light fixtures and smiling Jack-O-lanterns decorated the walls. Each table had a centre piece made by the students. Live entertainment was provided by several accordion players and solo singers from kindergarten, grade one and two. The tables were served by graceful grade eight girls proudly wearing their school uniforms and polite grade eight boys dressed in pressed pants, white shirts and bow ties. The class made a profit of over one hundred dollars which they have banked. This is the first of many fund raising events planned to earn enough money for a long trip next spring. May they be as successful in their next endeavours. Many thanks to Sister Rosella and Sister Daniel Joseph who helped organize on very short notice. Cathy Anderson announced the program, Mary Costa and Louise La Pointe were in charge of the cash bowls and Lanny Mullins and Dawn Dietrich sold tickets on the cake which was won by Mrs. Mary Valentino.
