SCOUT TRAINING COURSE HELD IN SCHREIBER

A Scout '68 Training Course was held recently in Holy Angels school auditorium, to train new leaders and to plan the transition period from the old scouting methods to new 1968 methods. Attending from out of town were District Commissioner Roly Wills, Terrace Bay, A. McKendry, George Bott, R.J. Barton, R. Ficker from Marathon. Hot lunches were provided by the Group committee during the day. At the annual meeting of the Group committee of the Scouting Association in Schreiber, it was announced that the Schreiber Kinsmen Club will be the new sponsors of the Scouting movement in Schreiber. Registration night was held in September with 42 boys enrolling. "Apple Day" was very successful and the committee is grateful to the public for their generous response. The Scout calendars have arrived and the boys will soon be around selling them. Plans are in the making for the Father-Son Banquet.
