DINNER HELD BY CHAMBER OF COMMERCE

Last Thursday evening members of Terrace Bay Chamber of Commerce and their wives met in the Terrace Bay Motor Hotel for their annual dinner. Master of Ceremonies and Chamber President D. Rafalant welcomed those present and following dinner introduced the guest speaker, Mr. L.R. Clarke, CLU from Sault Ste. Marie.

Topic of Mr. Clarke's address was Estate Management. Keen attention was given to him by his audience as he explained existing forms of tax relief and methods of insuring that adequate funds are available should a husband or wife die. A brisk question and answer period brought enlightening answers from both Mr. Clarke and his partner, Mr. O.M. Piper who was also present.

The next meeting of the Chamber of Commerce will be held December 19 and election of officers will be on the agenda.

LONG LONDON LUNCH

A CANADIAN IN LONDON went to Canada House to seek a ticket of admission to the House of Commons. He was told that he would have to wait until the clerk in charge of the tickets returned from lunch at some time in the afternoon. No one else accessible to the public could issue one.

The visitor said that he felt he should write the High Commissioner, The Hon. Lionel Chevrier, to tell of his difficulties. He was advised by a member of the staff that he should in that event write in French. Mr. Chevrier, when in the Canadian House of Commons, could speak either language with great facility.
