

Your Ontario Hospital Insurance would like to hear from you

(before it's too late)

When you are newlywed the "family" Hospital Insurance premium must be paid to cover husband and wife. If you belong to a group notify your group without delay or if you both pay premiums direct, notify H.I.R.B.

When you turn 21 you are no longer covered by your parents' Hospital Insurance. You must take out individual membership within 30 days. Get your application form at a bank, or a hospital, or from H.I.R.B.

When you move to a new job you can keep insured by following the instructions on the Hospital Insurance "Certificate of Payment Form 104" that your present employer is required to give you on leaving.

In goes a dime,
We're all getting ready

Christmas Feature (from Page 19)

were an expensive gift at \$1.65. What child could ask for a better gift, and what parent could wish for a more reasonable price list?

If expense was no object, you could order one of the more lavish articles a sofa with mahogany finish, a full 41 inches long with silk tapestry covering the springs, at \$13.

Clothes, fur pieces and watches were as popular in those days as they are today, but other gift selections reflect the Christmas spirit of a less cynical age. Books, hymnals and Bibles bound in leather were an obvious Yuletide choice with our Grandparents, to whom Christ was an important part of Christmas. He was not someone who had to be "put back" into the season.

CHRISTMAS JOY

....Best wishes for
a Merry Christmas—
to all our friends.
