MILLINERY COURSE - Mrs.Lozowy, well known T.V. personality from the Lakehead, will be conducting a millinery workshop February 21, 22, and 23 in Terrace Bay. This is the opportunity to be able to create your own Easter bonnet under professional instruction. Give this workshop your careful attention ;and thought, and look for further details in next week's NEWS.

UPHOLSTERY COURSE - No - this course has not been dropped. We have acquired an instructor from the Lakehead and it is just a matter of arriving at a suitable date for him to come to Terrace Bay. This will be a week-end course, and we trust that those who earlier indicated their interest are still desirous of taking the course.

GYMNASTICS CLINIC Terrace Bay will be hosting a Gymnastics Clinic sometime in the latter part of February, which will be open to all interested gymnasts in the North Shore area. More particulars will be printed as they become available.

AFTERNOON RECREATION FOR LADIES - We are interested in assessing the desire of ladies for afternoon recreational activities such as shuffleboard (floor), card games, hobbies, etc. These activities could be set up at the recreation centre if sufficient interest warrants. Why not call the Recreation Office (3542) and tell us of your interest.
