

# The Angel's Harp

John Bromley and Mrs. Deol pictured above are very proud of the arrangements that were made to bring John back to Schreiber to play the leading role in a play presented at the P.T.A. meeting last Thursday. Due to class sickness, the number was not performed at the Christmas Concert in December. John's parents graciously consented to his return to play the leading man.

The entire cast of the play is pictured below after their performance. They did an excellent job of

acting and we all appreciate their efforts.

The Grade six girls danced The Harvest Dance in native India costumes. They are merri-making after the long strenuous day's work. They are Sylvia Speziale, Pamela Deol, Rhonda Campbell, Jade Dukes and Rita Figliomeni.

## NO BANK ROBBER HE

There should be some recognition for the alderman who was discussing sales taxes at a council meeting and in order to live with a budget and make expenses fit, said, "I just don't go out and rob a bank."
