Pictured here are four teachers engrossed in the manipulation of nuts and bolts which finally resulted in assembled pieces of scientific apparatus.

Satan's Choice vs. Holy Angels

Last Thursday afternoon the Schreiber arena shook as pupils came to cheer the girls from their schools in a hockey game between The Holy Angels and The Satans Choice. Players were Grade 7 and 8 girls from Holy Angels School and Schreiber Public School. A great 5 - 2 finish ended the game with the Stans coming up the winners. Carol Webb played very well for the Angels scoring both goals. Susan Johnson, of the Stans also scored two goals, with team mates Vickie Smith, Pam Winters and Cathy Bottomly coming up with the singles.
