

Owl's Hoot - cont'd from page 13

At the end of the day the standings were Iroquois, Canuck, Mohawk, Ottawa. A dance was held that evening with students dancing to the music of the Manchester Riddle. The queen, Nancie Spillane, and King, David Bromley, were crowned at the dance to end our Carnival for another year.

PARENT-TEACHER INTERVIEWS

Parent-teacher interviews will be conducted at Schreiber High School on Tuesday, February 11th from 2.30 p.m. - 5.00 p.m. and from 7.00 p.m. - 9.30 p.m. Parents of S.H.S. students who are not obtaining satisfactory standing in one or more subjects should plan to meet with the particular teachers during the afternoon or evening sessions. However, all parents are welcome. If further information re these interviews is required, contact the principal by telephoning 754. See more photos of Carnival events at bottom of page 11.

The Angel's Harp

The Ontario Institute of Studies has developed a science program whereby the students not only manipulate the equipment and perform experiments on their own, but they actually assemble all the equipment from nuts and bolts to the finished product. This program is slowly being introduced in many elementary schools in Ontario. The teachers of Holy Angels school organized a teacher training workshop for themselves. Mr. A. Speziale and Mr. J. Small who have taken the course offered by O.I.S.E. instructed the teachers, as the teachers will later instruct the students, merely in what directions to follow. The remainder of the time was spent in actually assembling equipment and experimentation in its use. The photo below shows Miss S. Dennison and Mr. G. Speck balancing their scales while Miss J. Syvitski watches.
