RECREATION BRIEFS - by David Courtemache
CRAFT DISPLAY AND DEMONSTRATION

On Saturday, March 1st. from approximately 1 to 5 p.m., members of the Lakehead and area Craft Association and Nipigon-Red Rock Craft Guild will display and demonstrate various forms of crafts. The demonstration will include wood carving, copper work paper mache and rug hooking. Films and slides will also be part of this programme, which will be held in the High School Auditorium of Terrace Bay. There

will be no charge for this event, and an invitation is extended to adults and children alike. If you have a craft you would like to display at this show, such as weaving, ceramics, woodworking, copper tooling candle-making etc. please contact the Recreation Office or the Terrace Bay Art Club. It is our intention to set up the displays on Saturday morning well in advance of the event. Hobbyists and craftsmen-lets add our contribution to this display.

UPHOLSTER WORKSHOP - There will be an Upholster Workshop in the Recreation Centre, starting at 7 p.m. on Friday, March 7th, and running for the weekend. This is an opportunity to learn how to upholster your own furniture and perhaps save a dollar or two. Mr. Littleford of Chesterfield House in Fort William will be conducting this workshop. The registration fee is \$5.00 payable in advance and the deadline date for registrations is February 28th: Hurry and register or we may have to cancel this workshop. To date very few registrations have been received and not enough to warrant bringing Mr. Littleford to Terrace Bay. When we originally assessed the interest in this workshop, we received a tremendous response, but so far very few of those people have indicated they will be taking the course. Remember - it is at your request and instigation that we planned this Upholstery workshop.

JUDO INSTRUCTION - If you are interested in taking Judo instruction Thursday evenings, please contact the Recreation Office (3542) or Percy Ahern and indicate your interest. The minimum age for acceptance in this instruction is 12 years.
