

"THE OWL'S HOOT"

CHEERLEADING CONTEST

Terrace Bay's gym was packed with students from all around who came to see the annual cheerleading competition which was held there on Saturday, Feb. 22. The various schools competing were Terrace Bay, Schreiber, Wawa, Nip-Rock, Geraldton, Manitouwadge, and Marathon, which includes both the Eastern and Western Division.

As all the cheering squads were terrific in showing their ability and sportsmanship, it was very difficult for the judge to decide who should receive the trophy. Finally it was announced that Geraldton had won the well-deserved trophy and we would like to congratulate the girls on their great showing. Naturally every school thinks their cheerleaders are the best and that is exactly how Schreiber feels. We are very proud of our girls and feel they do a lot for our teams and school spirit.

A JUDGE'S OPINION

IN A WORKSHOP SESSION at the annual convention of the Canadian Weekly Newspapers Association a professor from North Carolina, himself a publisher, talked about court news. He told about a conversation he had once had with a judge.

"I hope," said the judge, "that you will always run the court news. Your newspaper can be more effective in many ways than judges ever can."

When the judge was told that the publisher did in fact run the court news but that he did not give it a big play, the judge said, "That's all that's necessary."

The judge apparently believed in publicity as a deterrent. It may have no effect on a criminal but it might make a usually honest person think twice before giving in to an impulse to break the law.
