in their child may call upon the services of the clinic at any time through the Kiwanis Club. A new treatment centre will soon be opened in Fort William which will add to the range of treatment available in our area.

In the past year your donations have provided these clinics for all crippled children in our area, aided in the purchase of artificial supports and limbs, sent children on emergency to the Toronto Centre for Crippled Children and given periodic nursing care to children at home.

Our financial objective for this year is \$1300. from Marathon, Terrace Bay, and Schreiber. This has not yet been realized. It is not too late to be a part of this healing for the children in your community who suffer from one of the above crippling ailments. Send your donation in by return mail.

To all those who have already expressed their concern by giving generously to this fund, all the Crippled Children in our area say "Thank You" and as chairman of this committee I add my thanks to theirs.

INTERMENT IN TERRACE BAY CEMETERY

Terrace Bay was saddened with the death of a 20 year resident, Mrs. B. Garvin (Eveline) on April 10th in Terrace Bay hospital. Mrs. Garvin was our first Librarian here.

She is survived by her husband Bart, son Bill of Winnipeg and two sisters from Dryden and Winnipeg

Funeral services were held on Saturday, April 12th in the Community Church with Rev. T. Garnett Husser officiating. Two hymns were song "I know That My Redeemer Liveth" and "O Love That Will Not Let Me Go" with the choir in attendance and Mrs. E. Hodgkiss at the organ.

A message of comfort to the family was given by

Mr. Husser intitled "Is God There" - "The Cry Of Mankind In The Midst of Suffering". Interment was in Terrace Bay Cemetery.

In lieu of flowers, Mr. Garvin requested that donations be made to the Cancer fund.
