Mrs. Felix Legault presented a satisfactory financial statement and Mrs. Herb Legault read the minutes and correspondence. A report was heard on the cards mailed by the Friendship Secretary.

The president reported on hiring Felix Legault to install steel rods in the church. Installation of coloured glass windows behind the altar was discussed. The majority of members are against the project because of the age of the Church building and its construction. It was decided to move the altar out to edge of the sanctuary steps - cont'd page 10....
