COHO AND RAINBOW PLANTED IN GRAVEL RIVER

Toi Seppala of Rosspport phoned in to say that 20,000 Coho Salmon and 10,000 Rainbow Trout fingerlings were planted at Gravel River on Tuesday at 10 a.m.

The Coho have been planted successfully on the U.S. side of the Lakes and thousands of fishermen have enjoyed the sport provided by them each year.

The 5 or 6 inch fingerlings would reach about 4 Lb. by Fall if planted in Lake Michigan. What they will reach in colder waters of Lake Superior is yet to be seen but a projected 2 lb. approximate weight is predicted.
