NOTICE

Various groups and organizations in Terrace Bay appear to be laboring under the misconception that taking pictures is part of my work, and that film, flash bulbs, and developing are subsidized by the three newspapers to whom I submit the news.

I should like to make it very clear that I have supplied my own films and flash bulbs and paid for my own developing and printing ever since I started.

Now I find it necessary to make a nominal charge of \$1.50 per event, to help defray the expenses involved.

I would also appreciate being given 24 hours notice prior to any event I might be asked to attend.

M. Lundberg.

GOLF CLUB NEWS

It appears from the turn out to date, that this year, Junior activities should play a prominent role at our local golf course. The interest and enthusiasm of these kids require constant promotion, with more frequent tournaments and competition.

Unfortunately there are some boys who because of a lack of clubs will not be able to enjoy this great out door sport. The open air exercise plus the development of a clean healthy competitive spirit is worth immeasurably more than the small amount necessary for Junior enrollment.

We are fortunate to have such a beautiful golf course with facilities second to none in Northwestern Ontario, and with people quite willing to give their time for promotion of Junior and Adult golf activities.

Despite our fairly large membership the course is far from crowded. Unlike the cities where starting time is often a matter of hours of waiting the local golfers usually have no waiting time to contend with.

This course was constructed for the entertainment of everyone in the district. The beauty and scenery of the course plus the fine fairways and greens are always an open invitation to everyone.

The driving range is now open and ball rentals are available at a reasonable cost.

DISTRICT CONVENTION TO BE HELD IN LAKEHEAD

The Ladies Auxiliary to the Royal Canadian Legion Branch 223, held the general meeting on April 27, in the Legion Hall.

President Dorothy Ballentine chaired the meeting. Minutes were read by Secretary Joyce Mercier. A new member, Mrs. Paige Legacy was welcomed into the Auxiliary.

Treasurer Pam Jones gave her report and asked for
