COUNCIL QUOTES

Preceding the regular Town Council meeting, Reeve W. Cavanaugh welcomed members of the Royal Canadian Legion, Branch 223, Terrace Bay, who had asked for an audience with the Council. Members of the Legion are concerned with the problem of teen age drinking in town, and formed a committee to discuss his problem. Police Chief Doyle was also present. Some of the points of concern for minors drinking were their source of supply, stolen liquor, lack of convictions being publicized. Chief Doyle stated there was a lack of co-operation from some parents, and the difficulty in obtaining witnesses to any offence.

Councillor Desrosiers volunteered to act with a committee of Legion members to try and come up with a solution to the problem.

The meeting was called to order, and correspondence included a letter from the Department of Highways re painting the centre line on Simcoe Plaza and near the Recreation Centre.

Kimberly Clark stated they would be willing to assist in the Lakeview Extension project when it is started.

A letter was sent to Miss Lampshire of the District Board, Home for the Aged, asking for separate costs for maintenance of Pinewood Court.

The Terrace Bay Bowling Association asked council for permission to use the large meeting room in the Recreation Centre for a general meeting. Council advised this is under control of the Recreation Committee.
