## KEITH PENNER REPORTS

Keith Penner M.P. for this district advises us that the Department of Public Works is now completing the acquisition of a suitable site for a new Post Office Building for Schreiber. An amount of $50,000.00 towards its construction was approved in the 1969-1970 estimates. It is planned to issue a call for tenders later this year and unless unforeseen delays are encountered it is hoped to complete the building by the spring of 1970.

Mr. Penner also announced that Ontario Northern Airways Limited has been granted a licence by the Air Transport Committee to operate a commercial air service serving the points of Marathon, Manitouwadge, Geraldton and Jellicoe from a Lakehead base.

## CONFEDERATION COLLEGE COMPUTER ARRIVES

Northwestern Ontario's second largest and most powerful computer, a Honeywell Series 200-H120 tape, disk system, was today installed in Confederation College.

D.A.R. Bradshaw, President of the College announced that the computer will be mainly used to train students and others seeking training.

"The computer will also be used to meet the administration's sophisticated needs for student's records, educational statistics and accounting procedures;" said Mr. Bradshaw. "It will enable us to make a continuous evaluation of how well we are fulfilling our function as a Community College."

The President also stated that "the Business Division is offering a new two-year Diploma Program in data processing. This program will be offering a
