

## "THE OWL'S HOOT"

### DRIVING FILM SEEN

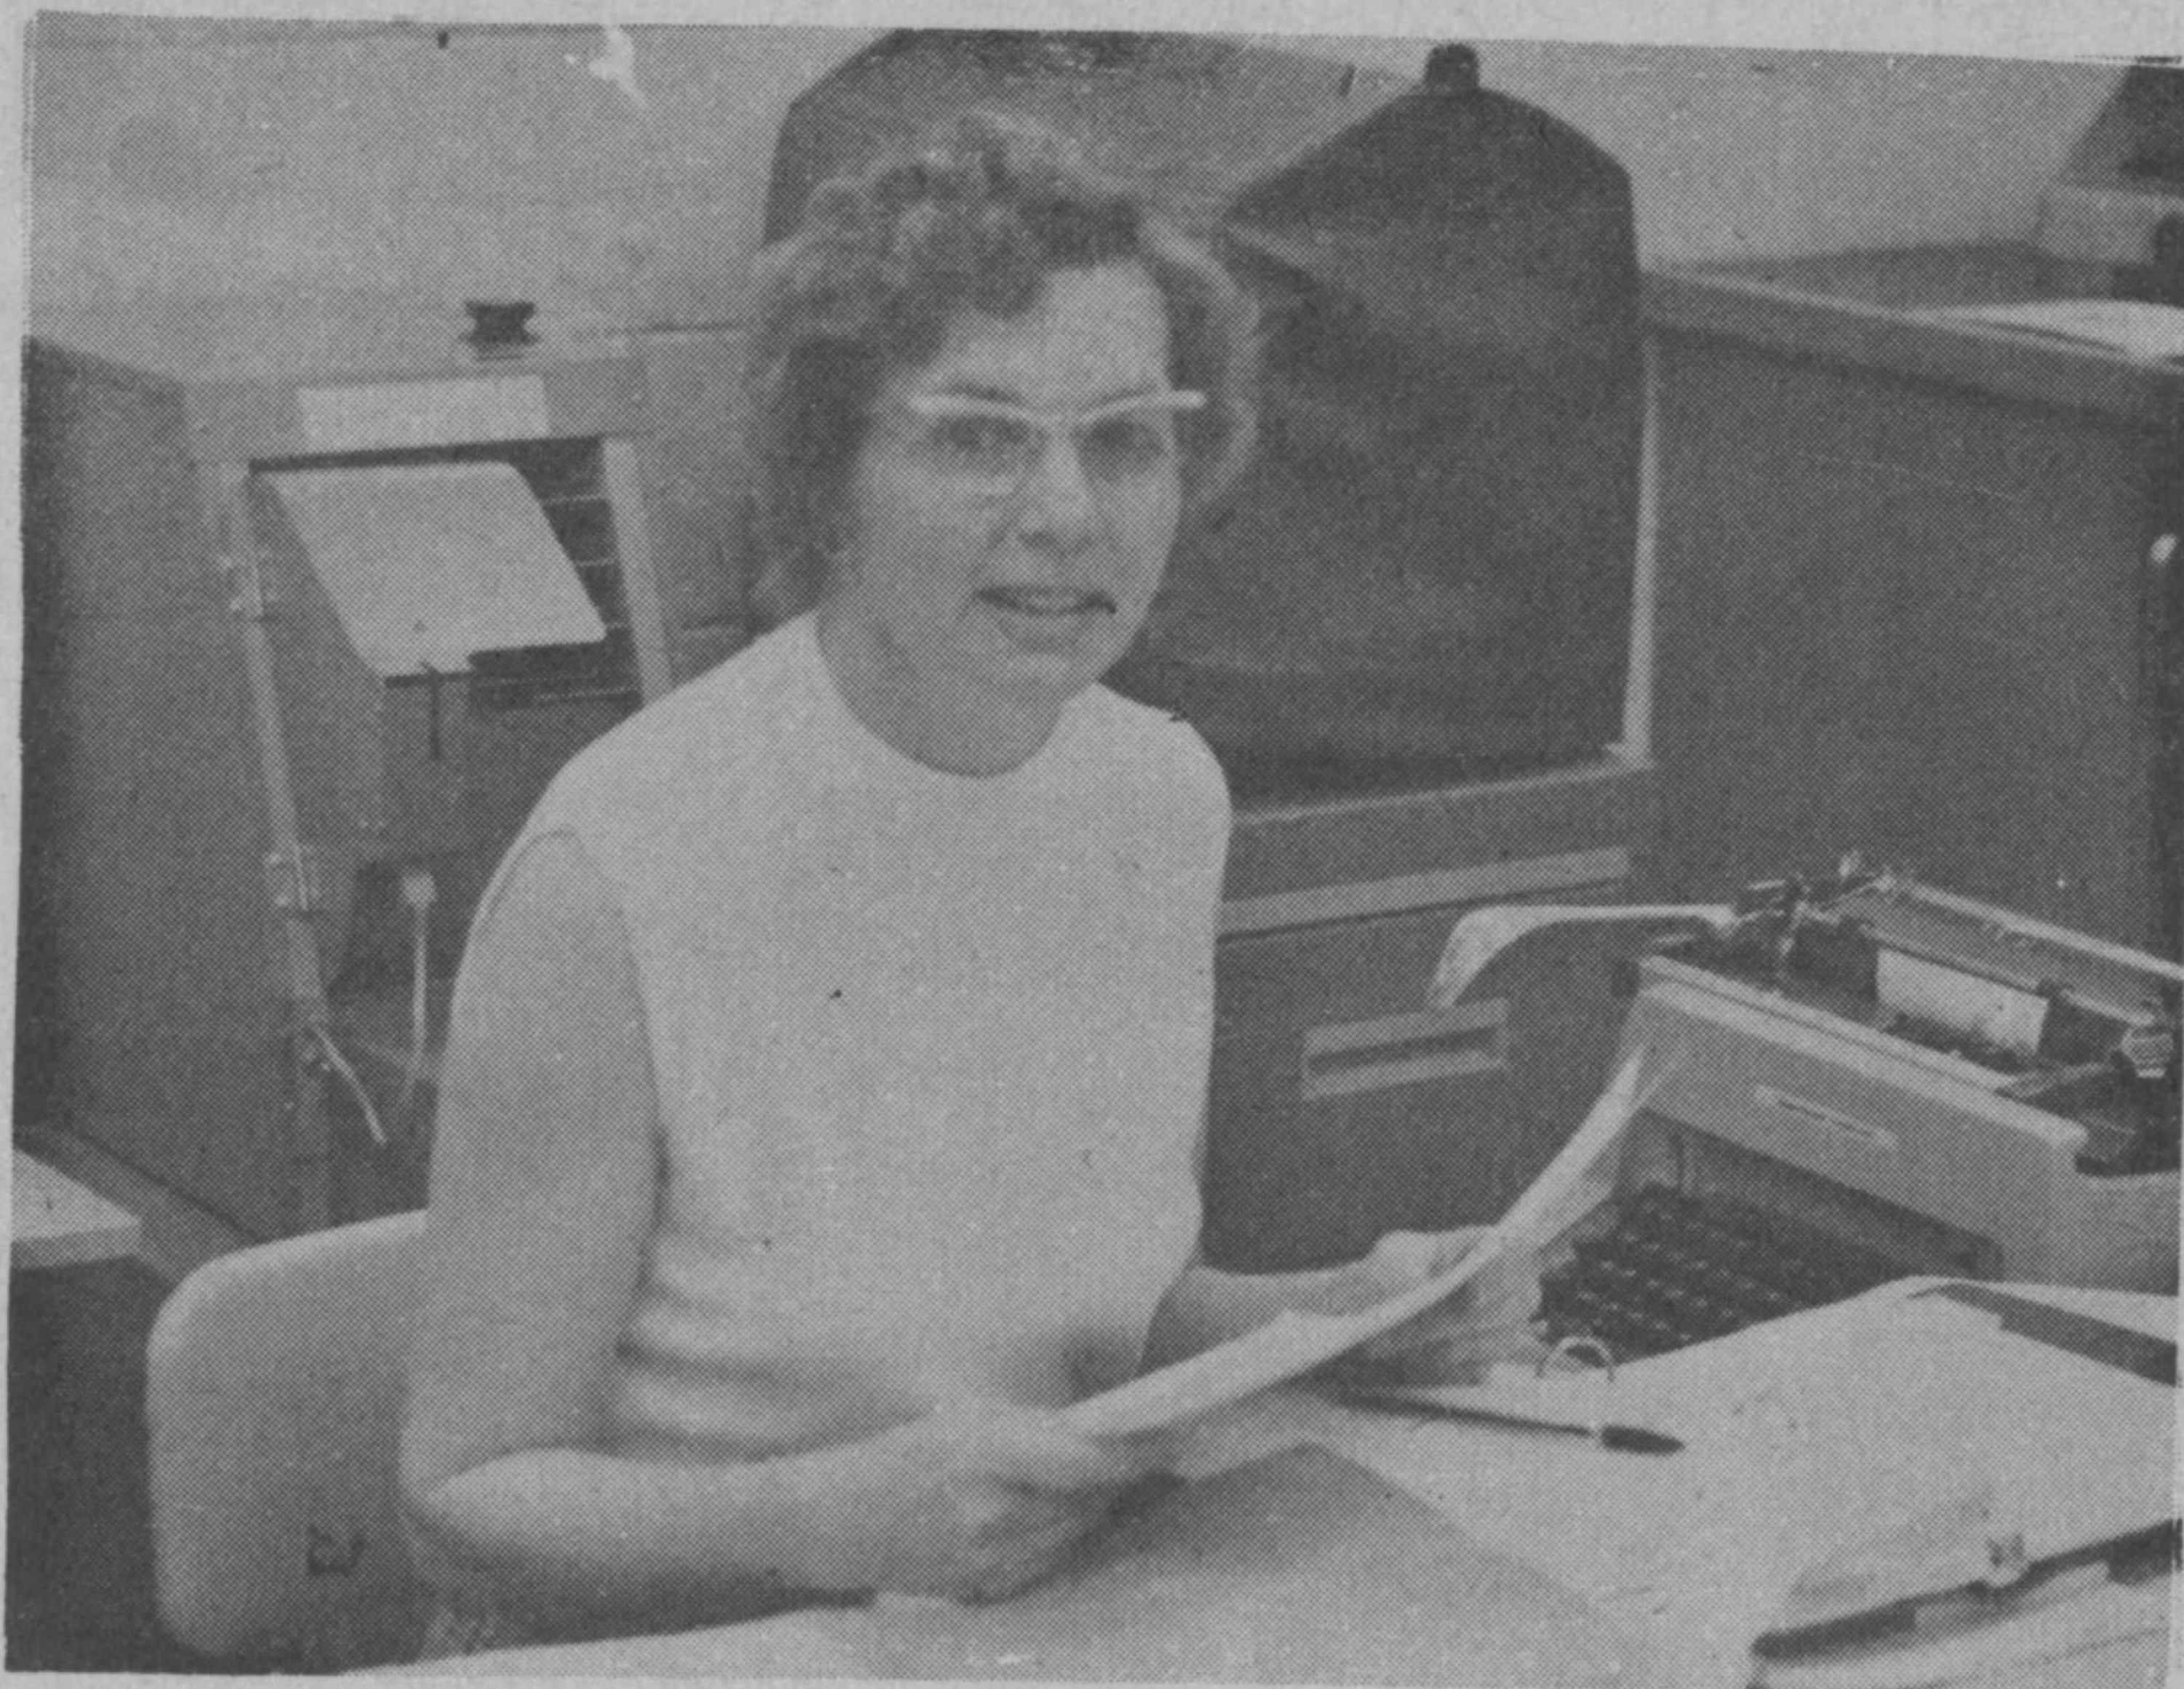

On Monday, May 12, Constable Duffy of the Schreiber O.P.P. Detachment met with the student body of Schreiber High School to promote safe driving on our roads and highways. He featured a film called, "Signal 30."

The "shock" method of presenting the dangers of bad driving habits was seen in the suffering and death of many accident victims.

Driving while under the influence of alcohol, driving faster than road condition permit, carelessness due to familiarity with the road, and driving when tired are the main contributing factors to human errors on the highway and should be avoided at all cost!

### HIGH SCHOOL WELCOMES NEW SECRETARY

Mrs. Bailey, formerly a resident of "La Belle Province," has resided in Terrace Bay since last August and thinks this part of the country very beautiful. Because she likes to keep busy Mrs. Bailey is a secretary at Schreiber High School and finds her work here very interesting as she says our school has "lots of action".
