Beasley, Marathon; Mr. P.C. McLeod, Manitowadge; Mr. J.T. Dorland, Terrace Bay and Mr. A. Gordon, Schreiber was formed. This committee will investigate future educational needs for the area and formulate a long range plan involving additions to school buildings and the introduction of additional services and courses anticipated in the next five years.

The annual spring season for hiring teachers is rapidly drawing to a close, and it has been quite successful, as evidenced by the thirteen appointments approved Monday evening. It is evident that teachers being hired this year by the Board are, generally speaking, very highly qualified and with several years of teaching experience.

The appointments of Mr. James A. Munroe as Principal of Alexander Public School, Marathon and of Mrs. Sharon Kistulenic as Principal of the Heron Bay School were confirmed. Mr. Munroe is at present supervising principal of all elementary schools in the Moose Factory area. He has a Bachelor of Arts and Bachelor of Education from Acadia University and 19 years experience in education, sixteen as Supervising Principal. Mrs. Kistulenic, who is presently principal of the Pic-Indian-Day School, has 6 years experience in education and is completing her Bachelor of Arts degree with the University of Waterloo. She has had considerable experience in an experimental ungraded school. Both schools are fortunate to be able to secure such able and well qualified principals.

The meeting was well attended by interested citizens, including a delegation who asked that an opportunity class be established in Manitowadge. The Board received the delegation, and an investigation is being conducted to determine the need for such a class. Given the need and a properly qualified teacher, it is possible that an opportunity program could result this fall.

Mr. Gerry Saumur was appointed as vice-principal of the Manitowadge Public School effective in September, 1969.

The next meeting of the Board will be held in the Schreiber High School on Monday, July 7th at 6.00 p.m. Daylight saving time.

Mr. and Mrs. Clifford Knauff Jr. of Kamloops B.C. have returned after a visit with his parents Mr. and Mrs. Knauff Sr.
