

**How to keep  
the traffic moving  
when rush hour hits  
the hot water.**

Rush hour. Every family has one. When there are dishes to be washed, kids to be tubbed, Dad scrubbing up. Then Sis decides she *has* to have a shower. It takes a lot of hot water to keep the traffic moving.

That's why you need the Cascade electric water heater—the big producer. It's got the capacity a busy family needs, and it's economical, too. Cascade keeps you in hot water for only pennies a day. Ask your Hydro about the quiet, clean, electric Cascade water heater.

from page 5 . . . . . skipping ability. The nature hike and skipping tests are part of the work the girls must do in order to receive their Golden Bar Award.

When the work was over the girls sat down to a hearty supper served outside in the sunshine.

Leaders Mrs. A. Cadieux and Mrs. D. Thompson then took the girls up the beach for a further study of nature. The girls also enjoyed building sand castles, walking barrels, climbing trees to end a most successful adventure in the outdoors.

GIRL GUIDE RALLY HELD

Some 70 Guides were in attendance at opening ceremonies with Chairman Celine Landry leading in recitation of the Guide Prayer followed by Mrs. Hazel Howarth, Division Commissioner, Red Rock, who spoke on Guiding. Mrs. Ungar, Marathon, spoke on Rangers.

The Guides were divided into 6 patrols for a discussion period.

Teresa Ramsay then led the girls in an active game followed by a few active songs.

The Ladies Association to the Guides, under convenorship of Mrs. S. Duquette provided lunch

for all participating at the Community Church. A panel discussion was held back at the High School with Guiders answering the many questions of the Guides. A beauty contest was held - cont'd page 8
