MORE PROFITABLE TO GIVE THAN TO RECEIVE

The Terrace Bay Community Church hopes to prove it is more profitable to give than to receive.

On June 22, the collection plates will be passed and those present will be asked to take money out instead of paying it in. Those who take money are expected to make it turn a profit for the church.

The thought is based on the "parable of the talents" in the Book of St. Matthew the master gave his servants some talents and they in turn used the money, each in his own way, reaped as he had sown,

It is hoped that each will make the money grow through the next six months and return it with their profits next December 7th. This Sunday will be the 18th anniversary of the church. Individuals and families will plan projects and ways and means of making their gift grow for the church.

SPARKLING REVUE PRESENTED SUNDAY

On Sunday afternoon the stage of Terrace Bay High School Auditorium was the setting for one of the district's finest performances when a Lakehead organization, the Ukrainian Youth Association, presented a revue of their native music, dances and songs.

On behalf of the sponsors, the Ladies Auxiliary of the Terrace Bay Community Church, Mrs. Connie Cvitkovich welcomed both the group and those attending the performance and thanked all who helped to promote the project.

Accompanist Miss Mary Rekszynski gave a resume of the group's history and objectives and explained the significance of the colorful costumes. She also mentioned the various prizes won by the group.

One of our favorites on the diversified program was a sextet of young misses whose sweet voices blended in haunting harmony in four selections. In one number in the first part of the program they sang a few lines in English which only pointed out that even if one doesn't understand the words the music had universal appeal.

The girl's choir about twenty in number, showed considerable finesse - cont'd page 11
