under investigation.

Four juveniles were located and subsequently returned to Port Arthur.

Three persons were charged under the provisions of the Liquor Control Act.

Six motor vehicle accidents were investigated, which resulted in approximately \$3,235.00 in property damage and four persons were injured. Two drivers were charged as a result of these accidents.

Eight motorists were charged under the provisions of the Highway Traffic Act. Sixteen motorists were issued warnings for minor infractions and defective equipment.

Attention parents: Where do you children play? Last year in Ontario, 21 children were killed while playing on the roadway and another 462 were injured. You can help protect your youngsters by making sure they always play in a safe place.
