Ranger Headquarters - cont'd from front page

was very attractive, it was also very isolated and not centrally located in the area it served.

The Hon. Rene Brunelle, in his remarks, stressed the fact that the new facilities should ensure his Department's service to the public would be much more effective than was possible from the old location.

And there are many remeberences!

Everyone recalls their first day of highschool - so many people, teachers and books. Everything was strange and so complicated. Lockers, changing classrooms and assemblies were all mysterious and fascinating.

Then the bandwagon of student council elections! Everyone jumped on at one time or another to campaign, make posters and wear stickers.
