## UP AGAIN IN 1970

Increases in the Old Age Security Pension and the Guaranteed Income Supplement in 1970 were announced today by Health and Welfare Minister John Munro.

Mr. Munro and Revenue Minister J-P Cote also jointly announced similar increases in Canada Pension Plan retirement pesnions, survivor's benefits and contributions effective next year.

Cheques issued in January will reflect these increases.

This action will follow a two per cent increase in the Pension Index, the maximum allowed by legislation, from 113.7 for 1969 to 116.0 for 1970. The Pension Index reflects increases in the Consumer Price Index which, beginning in January, 1969, was converted to a 1961 time base from the previous 1949 times base.

## PREVENTION IS PRICELESS

Are hospitals using money wisely when they conduct thousands of tests in mass screening programs - to turn up only a few confirmed cases?

Although the value of routine screening in terms of human life and suffering has never been questioned, some hospital administrators - especially when they have a sharp pencil in hand - may wonder if the scanty returns justify the overall outlay.

However, simple arithmetic will quickly dispel any doubts a cost - conscious administrator might have.

In considering the dollar-and-cent
