SCHOOL DAYS

This year on the first day of school our new student body almost filled the whole auditorium for once. But its not really that strange for altogether we have 230 new and old students.

There are 11 attending from Marathon, 12 from Manitouwadge, 34 from Schreiber, 2 from Rossport, 3 from Heron Bay and 168 from Terrace Bay. Besides all the new students we have several new teachers.

New things are being cooked up this year - by the grade nine occupational girls that is. I have often witnessed a girl enter the teachers room laden with a plate full of goodies, when she emerges however the only things left are a few scattered crumbs. It's nice to know that our teachers are benefitting almost as much as the girls. We have other new grades in our school this year. The boys occupation which started last year now has a grade ten class. And our S.T.T. boys besides a 9 and 10 have

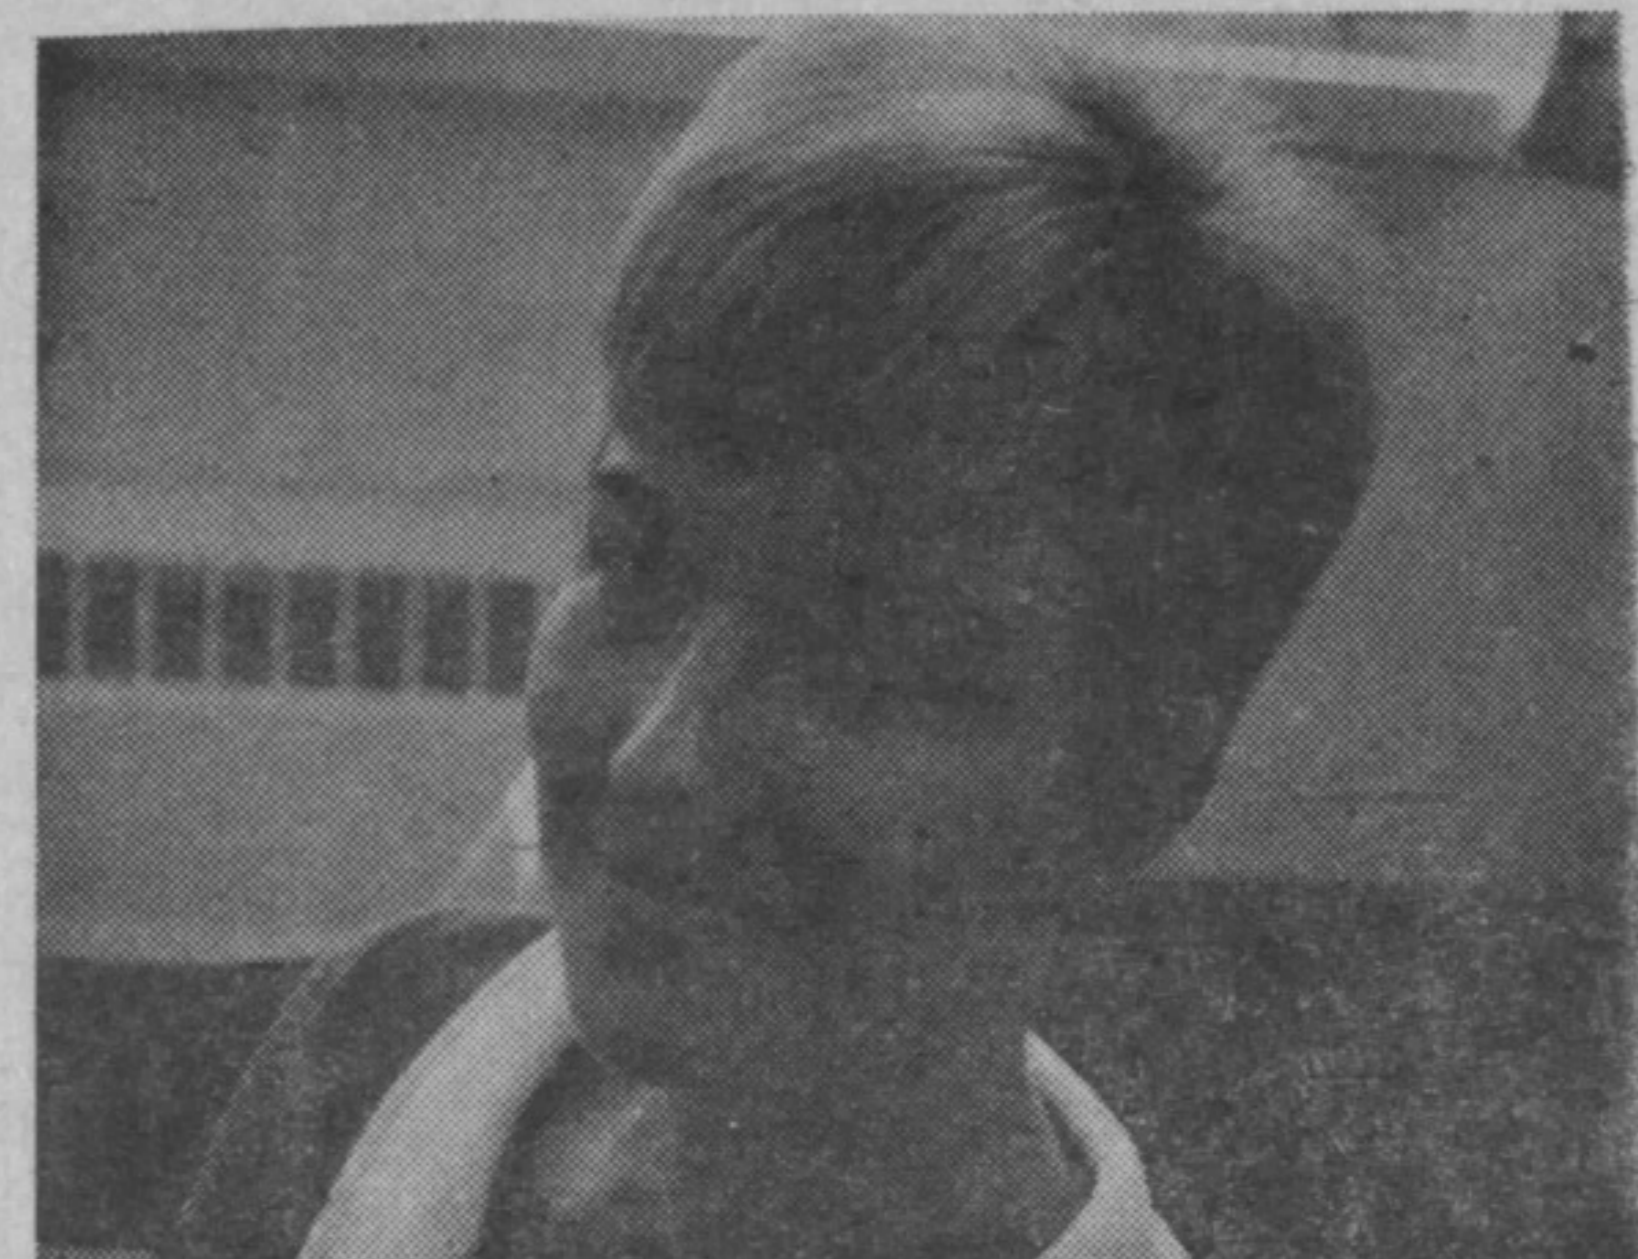

a new grade eleven.

Student activities are getting under way already and once again things are starting to revolve around T.B. H.S.
