

# THE LAKE SUPERIOR BOARD OF EDUCATION 1969-70

## Adult Education Program

TERRACE BAY

SCHREIBER

Your Board of Education is interested in making the secondary schools' facilities available to you in those areas in which the demand is sufficient. In order to initiate a course, a minimum of 15 registrants is necessary.

Some adult education courses which have been popular are: -

- Auto Mechanics
- Contemporary Living
- Data Processing
- Economics
- Millinery
- Sewing
- Small Motor Repairs
- Welding
- Business Law
- Conversational French
- Driver Training (Classroom instruction)
- Electricity
- Physical Fitness and Activities
- Shorthand
- Typewriting
- Woodwork

Any of the a/m courses, plus others of adequate demand, will be made available to adults of the Schreiber-Terrace Bay area. The location of the courses will be dependant upon facilities and residence of the majority of applicants. If you are interested in taking advantage of your school facilities, please complete the attached form and forward to the principal of your local high school prior to September 30th, 1969.

"Education is an ever-continuing process."
