

HOME AND SCHOOL FUTURE BRIGHT

During the first weeks of school several requests were received by the office of the principal regarding the installation of a Home and School Association.

After some discussion it was decided that a survey was in order. A recent circular to parents of pupils attending the Schreiber Public School revealed the following encouragement: -

Parents wishing to join a Home and School Association - 80; Those not wishing to join - 9; Those in favour of an association exclusive to the public school - 55; Those in favour of amalgamation with the High School Association - 13; Those undecided about which type of association they'd prefer - 12.

Analysis of these results and proposals for early commencement of an association will be a major concern during the next few days.

An announcement to parents as to the date, time, and place of the inaugural meeting shall be forthcoming soon.

Recreation Briefs - cont'd from page 8

that we may look forward to a very successful year. With the continued interest of the parents and the involvement of our youngsters, things look very good indeed for Minor Hockey. Final registration and fees will be received at the Recreation Office until Wednesday, October 15th.

WINTER ACTIVITIES

Indications are that many activities and organizations have now commenced their winter season programs. Bookings for meeting rooms in the Recreation Centre are now coming in, so if your group or organization has used our rooms in the past or would now like to do so, please call the Recreation Centre as soon as possible as our room schedule is fast filling up. Details of rental arrangements are available at the Recreation Office,
