RESIDENTS PROUD OF CROP

Mr. and Mrs. Edward Singleton are the proud possessors of a bumper crop of potatoes this season, many of them weighing over two pounds, and some at the two and a half pound weight. They are unwashed New Brunswick potatoes, bought over the counter, and the Singleton's are wondering if the residue of soil could have affected the growth of these beauties.

Mr. Singleton, admits, he simply took out the eyes dug the hole, and his wife dropped the 'spuds' in. But he's now ruefully wishing he had noted exactly what, and in what proportions, he used for fertilizer, instead of proceeding as usual, 'dunking' generously with whatever was left from last summer. But there will be some fun this winter when the note-on-the-table reads "Please put the potato on at 5".

BABIES CHRISTENED

Rev. Arthur L. Chabot baptized Constance Marie, daughter of Mr. and Mrs. Douglas May and Robert William, son of Mr. and Mrs. Rober Krause, at the evening service in St. John's Anglican Church on Sunday September 28th.

Mr. and Mrs. G. Birch were godparents for Constance and Mr. and Mrs. Gerry Fischer, godparents for Robert.

Following the service Mr. and Mrs. Krause were hosts for a party marking the event when a throng of relations and friends came to offer good wishes. Mr. and Mrs. William Shelling of Rosspport attended the service and party.
