## SCHREIBER HIGH SCHOOL HOME AND SCHOOL

The 1st meeting of the Schreiber High School Home and School Association will be held at 7.30 p.m. E.S.T. on Tuesday, October 21st. President G. Walsh plans to have members discuss the future of the organization in Schreiber. Memberships will be available to all who attend.

Copies of Dr. S.G.B. Robinson's address entitled "An Examination of Hall-Dennis" will be distributed and discussed. Ideas on raising funds for the 1969-70 school year will be welcome. During last school year, the Schreiber High School Home and School Association raised funds by selling memberships and raffling a grocery hamper.

The organization contributed to the local high school in the following ways: Providing a scholarship to the grade 13 student with the highest average; making money available for purchasing library books, serving coffee at the two parent-teacher interviews and supplying refreshments at the graduation exercises in June. In addition to these tangible benefits, the association serves as a communication link between the home and the school.

It is hoped that all the parents of Schreiber High School students, regardless of whether they live in Rosspoint, Schreiber or Terrace Bay will support this worthwhile group by: being present at the meetings; purchasing memberships; and by supporting the Home and School Association projects.
