

Recreation Briefs - cont'd from page 7

in the large meeting room of the Recreation Centre. It is hoped that a large number will turn out for this meeting.

HOCKEY REFEREES SCHOOL - Terrace Bay will host a Referees School on Saturday, Nov. 8th, starting at 8.30 a.m., in the large meeting room of the Recreation Centre. This school is open to all referees in the North Shore area and a good registration is hoped for. George Tremblay, certified CAHA and TBAHA Referee School instructor, will be the instructor for this school, assisted by G. Calder, who will also be the co-ordinator. The registration fee is \$20.00. For further particulars, please contact G. Calder or the Recreation Office.

"WHAT'S NEW" WITH OUR TEENS - We have had two interesting and informative meetings with our teenagers, in which they discussed what they would like to see done in the Youth Room at the Recreation Centre. They have expressed the need of a Games Room and gave their ideas of how they would like this room equipped. As with any ideas, these are going to cost some money, so to start the ball rolling and raise some funds, they are planning a Halloween

Dance in the High School Auditorium on Friday, October 31st. This is the first of several projects which the teenagers hope to run in an effort to raise funds for this room, and it is hoped there will be a good turnout for this first event.
