Confederation College - cont'd from page 1

"The use in industry of College trained technicians will," said Mr. Bradshaw, "free degree-holding engineers to devote their specialized talents to more involved projects."

High School students and their parents should consider carefully the curriculum offered at Confederation College - the tuition fees and the employment records and earnings of last year's graduates before deciding on what post-secondary school education to choose.

Mill Manager Mr. J.A. Ferrier was, until recently the only Governor east of Thunder Bay. He is now joined by Dr. A.B. Adey whose appointment was made while he was still a Port Arthur resident.

Registration fees for High School students for 1969-70 were set. The Board was informed that registrations for these courses were quite heavy, particularly in Marathon.

New text books for use in the respective High Schools were approved.

Due to the poor condition of the Annex to the Schreiber Public School the Director was instructed to institute proceedings for the replacement of this building by modern accommodation, attached to the new section of the Public School.

Mr. Raymond Pudas was engaged as caretaker at the Marathon High School.

The resignation of Trustee, Mrs. Marilyn Beacon, was accepted. Mrs. Beacon has accepted a position as an Opportunity Class Teacher in the Manitowadge Public School.

The Director of Education will attend a Conference of the Ontario Association of Educational Officials on Nov. 3rd and 4th.

A letter of understanding between the Board and the Improvement District of Manitowadge regarding preventive maintenance was ratified.

The idea of establishing a staff-board relationship committee was accepted.

A report of the Policy Committee regarding use of school facilities outside of school hours received considerable attention. The report was sent back to Committee for further refinements. However, the first statements of the Policy, that the school facilities be used to the utmost received the unanimous approval of all Board Members.

The next meeting of the Lake Superior Board will be on Monday, November 17th, in the Marathon High School, at 7 p.m.

NOTICE TO RESIDENTS

Due to the amount of stolen bicycles in town the Police Department is spending one third of its time looking for bicycles.

We urge the parents to obtain locks to place on their child's bicycle when not in use.
