

### GOLDEN HAWK UNIFORMS SIGNIFICANT

The Golden Hawk uniforms worn by Schreiber High School boys in all outside competitions have special significance.

The uniforms in addition to being a stunning color in unique design, were purchased by the students through various fund raising events.

The Girls' Athletic Association has now launched a drive to purchase new uniforms. Their first event was a coke

dance when homemade candy was sold. They raised \$25.

It is hoped the student body will support equally well their next program which is now being planned.

One of the students' biggest and most successful projects in the high school was an Expo trip. It is one event still remembered with pride, since it was successful in all aspects.

### SEAL CAMPAIGN SET FOR NOVEMBER 1ST

East Thunder Bay Tuberculosis Association met recently at the home of W. C. Furlonger, Schreiber, secretary, to make plans for the annual Christmas Seal appeal.

It was decided to launch the project on Nov. 1, with afternoon and evening gatherings at Mr. Furlonger's home. Volunteers are always welcome.

Mr. Furlonger reported there are seven district patients in the sanatorium, three of them recently admitted.

Although the appeal letter will be made under the new district president's name, Jack Kennedy, the money will be deposited in the bank in Schreiber, and disbursed by the

ETBTA until such time as the new board is completely organized.

Needs of patients will be supplied as in the past following requests from the usual authority in the sanatorium.

Some members felt that with the number of new residents in the community, a tuberculin skin test should be carried out. Mrs. Ken Davis presided for the meeting.

The first chest survey was done in 1946 in Schreiber and the hydro camp, and in Terrace Bay.

Mrs. Furlonger is social service chairman, and Mrs. Russell Macadam, education chairman.
